

“(1) natural disasters, including earthquakes, tsunamis, tornadoes, hurricanes, flooding, and wildfires, pose great danger to human life and to property throughout the United States;

“(2) greater emphasis needs to be placed on—

“(A) identifying and assessing the risks to States and local governments (including Indian tribes) from natural disasters;

“(B) implementing adequate measures to reduce losses from natural disasters; and

“(C) ensuring that the critical services and facilities of communities will continue to function after a natural disaster;

“(3) expenditures for postdisaster assistance are increasing without commensurate reductions in the likelihood of future losses from natural disasters;

“(4) in the expenditure of Federal funds under the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 et seq.), high priority should be given to mitigation of hazards at the local level; and

“(5) with a unified effort of economic incentives, awareness and education, technical assistance, and demonstrated Federal support, States and local governments (including Indian tribes) will be able to—

“(A) form effective community-based partnerships for hazard mitigation purposes;

“(B) implement effective hazard mitigation measures that reduce the potential damage from natural disasters;

“(C) ensure continued functionality of critical services;

“(D) leverage additional non-Federal resources in meeting natural disaster resistance goals; and

“(E) make commitments to long-term hazard mitigation efforts to be applied to new and existing structures.

“(b) PURPOSE.—The purpose of this title [enacting this section and sections 5134, 5165 and 5165a of this title, amending section 5170c of this title, and repealing section 5176 of this title] is to establish a national disaster hazard mitigation program—

“(1) to reduce the loss of life and property, human suffering, economic disruption, and disaster assistance costs resulting from natural disasters; and

“(2) to provide a source of predisaster hazard mitigation funding that will assist States and local governments (including Indian tribes) in implementing effective hazard mitigation measures that are designed to ensure the continued functionality of critical services and facilities after a natural disaster.”

§ 5134. Interagency task force

(a) In general

The President shall establish a Federal interagency task force for the purpose of coordinating the implementation of predisaster hazard mitigation programs administered by the Federal Government.

(b) Chairperson

The Administrator of the Federal Emergency Management Agency shall serve as the chairperson of the task force.

(c) Membership

The membership of the task force shall include representatives of—

- (1) relevant Federal agencies;
- (2) State and local government organizations (including Indian tribes); and
- (3) the American Red Cross.

TRANSFER OF FUNCTIONS

For transfer of all functions, personnel, assets, components, authorities, grant programs, and liabilities of the Federal Emergency Management Agency, including the functions of the Under Secretary for Federal Emergency Management relating thereto, to the Federal Emergency Management Agency, see section 315(a)(1) of Title 6, Domestic Security.

For transfer of functions, personnel, assets, and liabilities of the Federal Emergency Management Agency, including the functions of the Director of the Federal Emergency Management Agency relating thereto, to the Secretary of Homeland Security, and for treatment of related references, see former section 313(1) and sections 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 5135. Grants to entities for establishment of hazard mitigation revolving loan funds

(a) General authority

(1) In general

The Administrator may enter into agreements with eligible entities to make capitalization grants to such entities for the establishment of hazard mitigation revolving loan funds (referred to in this section as “entity loan funds”) for providing funding assistance to local governments to carry out eligible projects under this section to reduce disaster risks for homeowners, businesses, nonprofit organizations, and communities in order to decrease—

- (A) the loss of life and property;
- (B) the cost of insurance; and
- (C) Federal disaster payments.

(2) Agreements

Any agreement entered into under this section shall require the participating entity to—

- (A) comply with the requirements of this section; and
- (B) use accounting, audit, and fiscal procedures conforming to generally accepted accounting standards.

(b) Application

(1) In general

To be eligible to receive a capitalization grant under this section, an eligible entity shall submit to the Administrator an application that includes the following:

- (A) Project proposals comprised of local government hazard mitigation projects, on the condition that the entity provides public notice not less than 6 weeks prior to the submission of an application.
- (B) An assessment of recurring major disaster vulnerabilities impacting the entity that demonstrates a risk to life and property.

(C) A description of how the hazard mitigation plan of the entity has or has not taken the vulnerabilities described in subparagraph (B) into account.
