

members of such peer review group shall be licensed and experienced professionals in the prevention, diagnosis, or treatment of, or recovery from, mental illness or co-occurring mental illness and substance use disorders and have a medical degree, a doctoral degree in psychology, or an advanced degree in nursing or social work from an accredited program, and the Secretary, in consultation with the Assistant Secretary, shall, to the extent possible, ensure such peer review groups include broad geographic representation, including both urban and rural representatives.”

2000—Pub. L. 106-310 reenacted section catchline without change and amended text generally, substituting, in subsec. (a), provisions requiring, after consultation with the Administrator of the Substance Abuse and Mental Health Services Administration, appropriate peer review of grants, cooperative agreements, and contracts to be administered through the agency that exceed the simple acquisition threshold as defined in section 403 of title 41 for provisions requiring such peer review after consultation with the Directors of the Center for Substance Abuse Treatment, the Center for Substance Abuse Prevention, and the Center for Mental Health Services, in subsec. (b), provisions relating to members of peer groups qualified to perform review functions under subsec. (a) for similar provisions in former subsec. (b) but which included reference to regulatory establishment of such groups, in subsec. (c), provisions relating to advisory council review for provisions relating to requirements and specification of regulations promulgated under subsec. (a), and in subsec. (d), provisions relating to Secretary’s authority to establish exceptions to the limitations in section regarding participation of Federal employees and advisory council approval for provisions relating to recommendations.

1998—Subsec. (d)(2). Pub. L. 105-392 substituted “or cooperative agreement” for “cooperative agreement, or contract” wherever appearing in introductory provisions.

1992—Pub. L. 102-352 struck out “by regulation” after “Center for Mental Health Services, shall” in subsec. (a).

Pub. L. 102-321 amended section generally, substituting provisions relating to peer review of grants, cooperative agreements, and contracts administered through the Centers for Substance Abuse Treatment, Substance Abuse Prevention, and Mental Health Services for provisions relating to peer review of biomedical and behavioral research and development grants, cooperative agreements, and contracts administered through the National Institutes of Mental Health, Alcohol Abuse and Alcoholism, and Drug Abuse.

1986—Subsec. (b). Pub. L. 99-570, § 4007, inserted “applications made for” before “grants, cooperative” in introductory text.

1985—Subsec. (e). Pub. L. 99-158 added subsec. (e).

§ 290aa-4. Center for behavioral health statistics and quality

(a) In general

The Assistant Secretary shall maintain within the Administration a Center for Behavioral Health Statistics and Quality (in this section referred to as the “Center”). The Center shall be headed by a Director (in this section referred to as the “Director”) appointed by the Secretary from among individuals with extensive experience and academic qualifications in research and analysis in behavioral health care or related fields.

(b) Requirement of annual collection of data on mental illness and substance abuse

The Director shall—

(1) coordinate the Administration’s integrated data strategy, including by collecting data each year on—

(A) the national incidence and prevalence of the various forms of mental illness and substance abuse; and

(B) the incidence and prevalence of such various forms in major metropolitan areas selected by the Director.

(2) provide statistical and analytical support for activities of the Administration;

(3) recommend a core set of performance metrics to evaluate activities supported by the Administration; and

(4) coordinate with the Assistant Secretary, the Assistant Secretary for Planning and Evaluation, and the Chief Medical Officer appointed under section 290aa(g) of this title, as appropriate, to improve the quality of services provided by programs of the Administration and the evaluation of activities carried out by the Administration.

(c) Mental health

With respect to the activities of the Director under subsection (b)(1) relating to mental health, the Director shall ensure that such activities include, at a minimum, the collection of data on—

(1) the number and variety of public and nonprofit private treatment programs;

(2) the number and demographic characteristics of individuals receiving treatment through such programs;

(3) the type of care received by such individuals; and

(4) such other data as may be appropriate.

(d) Substance abuse

(1) In general

With respect to the activities of the Director under subsection (b)(1) relating to substance abuse, the Director shall ensure that such activities include, at a minimum, the collection of data on—

(A) the number of individuals admitted to the emergency rooms of hospitals as a result of the abuse of alcohol or other drugs;
