

for any period of health professions education at a health professions school;

(G) paying such stipends as the Secretary may approve for such individuals for any period of education in student-enhancement programs (other than regular courses), except that such a stipend may not be provided to an individual for more than 12 months, and such a stipend shall be in an amount determined appropriate by the Secretary (notwithstanding any other provision of law regarding the amount of stipends);

(H) carrying out programs under which such individuals gain experience regarding a career in a field of primary health care through working at facilities of public or private nonprofit community-based providers of primary health services; and

(I) conducting activities to develop a larger and more competitive applicant pool through partnerships with institutions of higher education, school districts, and other community-based entities.

(3) Definition

In this section, the term “regular course of education of such a school” as used in subparagraph (D) includes a graduate program in behavioral or mental health.

(b) Requirements for awards

In making awards to eligible entities under subsection (a)(1), the Secretary shall give preference to approved applications for programs that involve a comprehensive approach by several public or nonprofit private health or educational entities to establish, enhance and expand educational programs that will result in the development of a competitive applicant pool of individuals from disadvantaged backgrounds who desire to pursue health professions careers. In considering awards for such a comprehensive partnership approach, the following shall apply with respect to the entity involved:

(1) The entity shall have a demonstrated commitment to such approach through formal agreements that have common objectives with institutions of higher education, school districts, and other community-based entities.

(2) Such formal agreements shall reflect the coordination of educational activities and support services, increased linkages, and the consolidation of resources within a specific geographic area.

(3) The design of the educational activities involved shall provide for the establishment of a competitive health professions applicant pool of individuals from disadvantaged backgrounds by enhancing the total preparation (academic and social) of such individuals to pursue a health professions career.

(4) The programs or activities under the award shall focus on developing a culturally competent health care workforce that will serve the unserved and underserved populations within the geographic area.

(c) Equitable allocation of financial assistance

The Secretary, to the extent practicable, shall ensure that services and activities under subsection (a) are adequately allocated among the various racial and ethnic populations who are from disadvantaged backgrounds.

(d) Matching requirements

The Secretary may require that an entity that applies for a grant or contract under subsection (a), provide non-Federal matching funds, as appropriate, to ensure the institutional commitment of the entity to the projects funded under the grant or contract. As determined by the Secretary, such non-Federal matching funds may be provided directly or through donations from public or private entities and may be in cash or in-kind, fairly evaluated, including plant, equipment, or services.

AMENDMENTS

2020—Subsec. (a). Pub. L. 116-136, § 3401(2)(A), substituted “\$51,470,000 for each of fiscal years 2021 through 2025” for “\$51,000,000 for fiscal year 2010, and such sums as may be necessary for each of the fiscal years 2011 through 2014”.

Subsec. (b). Pub. L. 116-136, § 3401(2)(B), substituted “\$1,190,000 for each of fiscal years 2021 through 2025” for “\$5,000,000 for each of the fiscal years 2010 through 2014”.

Subsec. (c). Pub. L. 116-136, § 3401(2)(C), substituted “\$15,000,000 for each of fiscal years 2021 through 2025” for “\$60,000,000 for fiscal year 2010 and such sums as may be necessary for each of the fiscal years 2011 through 2014”.

Subsec. (d). Pub. L. 116-136, § 3401(2)(D), which directed substitution of “Not later than September 30, 2025, and every five years thereafter, the Secretary shall prepare and submit to the Committee on Health, Education, Labor, and Pensions of the Senate, and the Committee on Energy and Commerce of the House of Representatives,” for “Not Later than 6 months after November 13, 1998, the Secretary shall prepare and submit to the appropriate committees of Congress”, was executed by making the substitution for “Not later than 6 months after November 13, 1998, the Secretary

shall prepare and submit to the appropriate committees of Congress”, to reflect the probable intent of Congress.

2010—Subsec. (a). Pub. L. 111-148, § 5402(b), substituted “\$51,000,000 for fiscal year 2010, and such sums as may be necessary for each of the fiscal years 2011 through 2014” for “\$37,000,000 for fiscal year 1998, and such sums as may be necessary for each of the fiscal years 1999 through 2002”.

Subsec. (b). Pub. L. 111-148, § 5402(c), substituted “appropriated, \$5,000,000 for each of the fiscal years 2010 through 2014” for “appropriated \$1,100,000 for fiscal year 1998, and such sums as may be necessary for each of the fiscal years 1999 through 2002”.

Subsec. (c). Pub. L. 111-148, § 5402(d), substituted “For the purpose of grants and contracts under section 293c(a)(1) of this title, there is authorized to be appropriated \$60,000,000 for fiscal year 2010 and such sums as may be necessary for each of the fiscal years 2011 through 2014” for “For the purpose of grants and contracts under section 293c(a)(1) of this title, there is authorized to be appropriated \$29,400,000 for fiscal year 1998, and such sums as may be necessary for each of the fiscal years 1999 through 2002”.

§ 293e. Grants for health professions education

(a) Cultural competency, prevention, and public health and individuals with disability grants

(1) In general

The Secretary, acting through the Administrator of the Health Resources and Services Administration, may make awards of grants, contracts, or cooperative agreements to public and nonprofit private entities (including tribal entities) for the development, evaluation, and dissemination of research, demonstration projects, and model curricula for cultural competency, prevention, public health proficiency, reducing health disparities, and aptitude for working with individuals with disabilities training for use in health professions schools and continuing education programs, and for other purposes determined as appropriate by the Secretary.

(2) Eligible entities

Unless specifically required otherwise in this subchapter, the Secretary shall accept applications for grants or contracts under this section from health professions schools, academic health centers, State or local governments, or other appropriate public or private nonprofit entities (or consortia of entities, including entities promoting multidisciplinary approaches) for funding and participation in health professions training activities. The Secretary may accept applications from for-profit private entities as determined appropriate by the Secretary.

(b) Collaboration

In carrying out subsection (a), the Secretary shall collaborate with health professional societies, licensing and accreditation entities, health professions schools, and experts in minority health and cultural competency, prevention, and public health and disability groups, community-based organizations, and other organizations as determined appropriate by the Secretary. The Secretary shall coordinate with curricula and research and demonstration projects developed under section 296e-1 of this title.
