§ 300d-5. Competitive grants for trauma systems for the improvement of trauma care**(a) In general**

The Secretary, acting through the Assistant Secretary for Preparedness and Response, may make grants to States, political subdivisions, or consortia of States or political subdivisions for the purpose of improving access to and enhancing the development of trauma care systems.

(b) Use of funds

The Secretary may make a grant under this section only if the applicant agrees to use the grant—

- (1) to integrate and broaden the reach of a trauma care system, such as by developing innovative protocols to increase access to prehospital care;
 - (2) to strengthen, develop, and improve an existing trauma care system;
 - (3) to expand communications between the trauma care system and emergency medical services through improved equipment or a telemedicine system;
 - (4) to improve data collection and retention;
- or
- (5) to increase education, training, and technical assistance opportunities, such as training and continuing education in the management of emergency medical services accessible to emergency medical personnel in rural areas through telehealth, home studies, and other methods.

(c) Preference

In selecting among States, political subdivisions, and consortia of States or political subdivisions for purposes of making grants under this section, the Secretary shall give preference to applicants that—

- (1) have developed a process, using national standards, for designating trauma centers;
- (2) recognize protocols for the delivery of seriously injured patients to trauma centers;
- (3) implement a process for evaluating the performance of the trauma system; and
- (4) agree to participate in information systems described in section 300d-3 of this title by collecting, providing, and sharing information.

(d) Priority

In making grants under this section, the Secretary shall give priority to applicants that will

use the grants to focus on improving access to trauma care systems.

(e) Special consideration

In awarding grants under this section, the Secretary shall give special consideration to projects that demonstrate strong State or local support, including availability of non-Federal contributions.

AMENDMENTS

2010—Pub. L. 111-148 inserted “for trauma systems” after “grants” in section catchline and substituted “Assistant Secretary for Preparedness and Response” for “Administrator of the Health Resources and Services Administration” in subsec. (a).

§ 300d-6. Competitive grants for regionalized systems for emergency care response**(a) In general**

The Secretary, acting through the Assistant Secretary for Preparedness and Response, shall award not fewer than 4 multiyear contracts or competitive grants to eligible entities to support pilot projects that design, implement, and evaluate innovative models of regionalized, comprehensive, and accountable emergency care and trauma systems.

(b) Eligible entity; region

In this section:

(1) Eligible entity

The term “eligible entity” means—

- (A) a State or a partnership of 1 or more States and 1 or more local governments; or
- (B) an Indian tribe (as defined in section 1603 of title 25) or a partnership of 1 or more Indian tribes.

(2) Region

The term “region” means an area within a State, an area that lies within multiple States, or a similar area (such as a multi-county area), as determined by the Secretary.

(3) Emergency services

The term “emergency services” includes acute, prehospital, and trauma care.

(c) Pilot projects

The Secretary shall award a contract or grant under subsection (a) to an eligible entity that
