

(e) Funding**(1) Allocations**

Of the amounts appropriated for a specified agency for a fiscal year, the Secretary must designate an appropriate amount of funds for the purpose of carrying out activities under this section through the minority health office of the agency. In reserving an amount under the preceding sentence for a minority health office for a fiscal year, the Secretary shall reduce, by substantially the same percentage, the amount that otherwise would be available for each of the programs of the designated agency involved.

(2) Availability of funds for staffing

The purposes for which amounts made available under paragraph³ may be expended by a minority health office include the costs of employing staff for such office.

B, title VIII, § 1827, Apr. 15, 2011, 125 Stat. 162, provided that: “Hereafter, no funds appropriated by this division or by any previous or subsequent Act shall be subject to the allocation requirements of section 1707A(e) [42 U.S.C. 300u-6a(e)] of the PHS Act [Public Health Service Act].”

LIMITATION ON TERMINATION

Pub. L. 111-148, title X, § 10334(b)(3), Mar. 23, 2010, 124 Stat. 973, provided that: “Notwithstanding any other provision of law, a Federal office of minority health or Federal appointive position with primary responsibility over minority health issues that is in existence in an office of [or] agency of the Department of Health and Human Services on the date of enactment of this section [Mar. 23, 2010] shall not be terminated, reorganized, or have any of its power or duties transferred unless such termination, reorganization, or transfer is approved by an Act of Congress.”

§ 300u-7. Office of Adolescent Health**(a) In general**

There is established an Office of Adolescent Health within the Office of the Assistant Secretary for Health, which office¹ shall be headed by a director¹ appointed by the Secretary. The Secretary shall carry out this section acting through the Director of such Office.

(b) Duties

With respect to adolescent health, the Secretary shall—

(1) coordinate all activities within the Department of Health and Human Services that

relate to disease prevention, health promotion, preventive health services, and health information and education with respect to the appropriate use of health care, including coordinating—

(A) the design of programs, support for programs, and the evaluation of programs;

(B) the monitoring of trends;

(C) projects of research (including multidisciplinary projects) on adolescent health; and

(D) the training of health providers who work with adolescents, particularly nurse practitioners, physician assistants, and social workers;

(2) coordinate the activities described in paragraph (1) with similar activities in the private sector; and

(3) support projects, conduct research, and disseminate information relating to preventive medicine, health promotion, and physical fitness and sports medicine.

(c) Certain demonstration projects**(1) In general**

In carrying out subsection (b)(3), the Secretary may make grants to carry out demonstration projects for the purpose of improving adolescent health, including projects to train health care providers in providing services to adolescents and projects to reduce the incidence of violence among adolescents, particularly among minority males.

(2) Authorization of appropriations

For the purpose of carrying out paragraph (1), there are authorized to be appropriated \$5,000,000 for fiscal year 1993, and such sums as may be necessary for each of the fiscal years 1994 through 1997.

(d) Information clearinghouse

In carrying out subsection (b), the Secretary shall establish and maintain a National Information Clearinghouse on Adolescent Health to collect and disseminate to health professionals and the general public information on adolescent health.

(e) National plan

In carrying out subsection (b), the Secretary shall develop a national plan for improving adolescent health. The plan shall be consistent with the applicable objectives established by the Secretary for the health status of the people of the United States for the year 2000, and shall be periodically reviewed, and as appropriate, revised. The plan, and any revisions in the plan, shall be submitted to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate.

(f) Adolescent health

For purposes of this section, the term “adolescent health”, with respect to adolescents of all ethnic and racial groups, means all diseases, disorders, and conditions (including with respect to mental health)—

(1) unique to adolescents, or more serious or more prevalent in adolescents;

(2) for which the factors of medical risk or types of medical intervention are different for
