(C) if continuation of reasonable efforts of the type described in subparagraph (B) is determined to be inconsistent with the permanency plan for the child, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanency plan (including, if appropriate, through an interstate placement), and to complete

whatever steps are necessary to finalize the permanent placement of the child;

(D) reasonable efforts of the type described in subparagraph (B) shall not be required to be made with respect to a parent of a child if a court of competent jurisdiction has determined that—

(B) delay or deny the placement of a child for adoption or into foster care, on the basis of the race, color, or national origin of the adoptive or foster parent, or the child, involved;

(19) provides that the State shall consider giving preference to an adult relative over a non-related caregiver when determining a placement for a child, provided that the relative caregiver meets all relevant State child protection standards;

(20)(A) provides procedures for criminal records checks, including fingerprint-based checks of national crime information databases (as defined in section 534(f)(3)(A) of title 28), for any prospective foster or adoptive parent before the foster or adoptive parent may be finally approved for placement of a child regardless of whether foster care maintenance payments or adoption assistance payments are to be made on behalf of the child under the State plan under this part, including procedures requiring that—

(i) in any case involving a child on whose behalf such payments are to be so made in which a record check reveals a felony conviction for child abuse or neglect, for spousal abuse, for a crime against children (including child pornography), or for a crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery, if a State finds that a court of competent jurisdiction has determined that the felony was committed at any time, such final approval shall not be granted; and

(B) provides that the State shall—

(i) check any child abuse and neglect registry maintained by the State for information on any prospective foster or adoptive parent and on any other adult living in the

(ii) comply with any request described in clause (i) that is received from another State; and

(iii) have in place safeguards to prevent the unauthorized disclosure of information in any child abuse and neglect registry maintained by the State, and to prevent any such information obtained pursuant to this subparagraph from being used for a purpose other than the conducting of background checks in foster or adoptive placement cases;

(A) such coverage may be provided through 1 or more State medical assistance programs;

(B) the State, in providing such coverage, shall ensure that the medical benefits, including mental health benefits, provided are of the same type and kind as those that would be provided for children by the State under subchapter XIX;

(C) in the event that the State provides such coverage through a State medical assistance program other than the program under subchapter XIX, and the State exceeds its funding for services under such other program, any such child shall be deemed to be receiving aid or assistance under the State plan under this part for purposes of section 1396a(a)(10)(A)(i)(I) of this title; and

(D) in determining cost-sharing requirements, the State shall take into consideration the circumstances of the adopting parent or parents and the needs of the child being adopted consistent, to the extent coverage is provided through a State medical assistance program, with the rules under such program;

(22) provides that, not later than January 1, 1999, the State shall develop and implement standards to ensure that children in foster care placements in public or private agencies are provided quality services that protect the safety and health of the children;

(ii) in the case of a home study begun on or before September 30, 2008, if the State fails to comply with clause (i) within the 60-day period as a result of circumstances beyond the control of the State (such as a failure by a Federal agency to provide the results of a background check, or the failure by any entity to provide completed medical forms, requested by the State at least 45 days before the end of the 60-day period), the State shall have 75 days to comply with clause (i) if the State documents the circumstances involved and certifies that completing the home study is in the best interests of the child; except that

(iii) this subparagraph shall not be construed to require the State to have completed, within the applicable period, the parts of the home study involving the education and training of the prospective foster or adoptive parents;

(B) the State shall treat any report described in subparagraph (A) that is received from another State or an Indian tribe (or from a private agency under contract with another State) as meeting any requirements imposed by the State for the completion of a home study before placing a child in the home, unless, within 14 days after receipt of the report, the State determines, based on grounds that are specific to the content of the report, that making a decision in reliance on the report would be contrary to the welfare of the child; and

(C) the State shall not impose any restriction on the ability of a State agency administering, or supervising the administration of, a State program operated under a State plan approved under this part to contract with a private agency for the conduct of a home study described in subparagraph (A);

(27) provides that, with respect to any child in foster care under the responsibility of the State under this part or part B and without re-

gard to whether foster care maintenance payments are made under section 672 of this title on behalf of the child, the State has in effect procedures for verifying the citizenship or immigration status of the child;

(28) at the option of the State, provides for the State to enter into kinship guardianship assistance agreements to provide kinship guardianship assistance payments on behalf of children to grandparents and other relatives who have assumed legal guardianship of the children for whom they have cared as foster parents and for whom they have committed to care on a permanent basis, as provided in section 673(d) of this title;

(29) provides that, within 30 days after the removal of a child from the custody of the parent or parents of the child, the State shall exercise due diligence to identify and provide notice to the following relatives: all adult grandparents, all parents of a sibling of the child, where such parent has legal custody of such sibling, and other adult relatives of the child (including any other adult relatives suggested by the parents), subject to exceptions due to family or domestic violence, that—

(A) specifies that the child has been or is being removed from the custody of the parent or parents of the child;

(B) explains the options the relative has under Federal, State, and local law to participate in the care and placement of the child, including any options that may be lost by failing to respond to the notice;

(C) describes the requirements under paragraph (10) of this subsection to become a foster family home and the additional services and supports that are available for children placed in such a home; and

(D) if the State has elected the option to make kinship guardianship assistance payments under paragraph (28) of this subsection, describes how the relative guardian of the child may subsequently enter into an agreement with the State under section 673(d) of this title to receive the payments;

(D) incapable of attending school on a full-time basis due to the medical condition of the child, which incapability is supported by regularly updated information in the case plan of the child;

(31) provides that reasonable efforts shall be made—

(A) to place siblings removed from their home in the same foster care, kinship guardianship, or adoptive placement, unless the State documents that such a joint placement would be contrary to the safety or well-being of any of the siblings; and

(B) in the case of siblings removed from their home who are not so jointly placed, to provide for frequent visitation or other ongoing interaction between the siblings, unless that State documents that frequent visitation or other ongoing interaction would be contrary to the safety or well-being of any of the siblings;

(32) provides that the State will negotiate in good faith with any Indian tribe, tribal organization or tribal consortium in the State that requests to develop an agreement with the State to administer all or part of the program under this part on behalf of Indian children who are under the authority of the tribe, organization, or consortium, including foster care maintenance payments on behalf of children who are placed in State or tribally licensed foster family homes, adoption assistance payments, and, if the State has elected to provide such payments, kinship guardianship assistance payments under section 673(d) of this title, and tribal access to resources for administration, training, and data collection under this part;
