Such application shall be in such form, be submitted in such manner, and contain and be accompanied by such information as the Secretary may specify. Federal funds paid to the applicant under this subchapter.

(B) In carrying out activities described in section 701(a)(3)(D) of this title, the Secretary shall not provide for developing or expanding a maternal and child health center unless the Secretary has received satisfactory assurances that there will be applied, towards the costs of such development or expansion, non-Federal funds in an amount at least equal to the amount of funds provided under this subchapter toward such development or expansion.

(1) To the extent that all the funds appropriated under this subchapter for a fiscal year are not otherwise allotted to States either because all the States have not qualified for such allotments under section 705(a) of this title for the fiscal year or because some States have indicated in their descriptions of activities under section 705(a) of this title that they do not intend to use the full amount of such allotments, such excess shall be allotted among the remaining States in proportion to the amount otherwise allotted to such States for the fiscal year without regard to this paragraph.
