(B) if such individual is not blind but is permanently and totally disabled, (i) of the first \$80 per month of earned income, the State agency may disregard not more than the first \$20 thereof plus one-half of the remainder, and (ii) the State agency may, for a period not in excess of 36 months, disregard such additional amounts of other income and resources, in the case of any such individual who has a plan for achieving self-support approved by the State agency, as may be necessary for the fulfillment of such plan, but only with respect to the part or parts of such period during substantially all of which he is actually undergoing vocational rehabilitation,

Notwithstanding paragraph (3), if on January 1, 1962, and on the date on which a State submits its plan for approval under this subchapter, the State agency which administered or supervised the administration of the plan of such State approved under subchapter X of this chapter was different from the State agency which administered or supervised the administration of the plan of such State approved under subchapter I of this chapter and the State agency which administered or supervised the administration of the plan of such State approved under subchapter XIV of this chapter, the State agency which administered or supervised the administration of such plan approved under subchapter X of this chapter may be designated to administer or supervise the administration of the portion of the State plan for aid to the aged, blind, or disabled which relates to blind individuals and a separate State agency may be established or designated to administer or supervise the administration of the rest of such plan; and in such case the part of the plan which each such agency administers, or the administration of which each such agency supervises, shall be regarded as a separate plan for purposes of this subchapter.

(b) Approval by Commissioner

The Commissioner of Social Security shall approve any plan which fulfills the conditions specified in subsection (a) of this section, except that the Commissioner shall not approve any plan which imposes, as a condition of eligibility for aid or assistance under the plan—

(1) an age requirement of more than sixty-five years; or

(2) any residence requirement which excludes any resident of the State who has resided therein five years during the nine years immediately preceding the application for such aid and has resided therein continuously for one year immediately preceding the application; or

(3) any citizenship requirement which excludes any citizen of the United States.

At the option of the State, the plan may provide that manuals and other policy issuances will be furnished to

persons without charge for the reasonable cost of such materials, but such provision shall not be required by the Commissioner of Social Security as a condition for the approval of such plan under this subchapter. In the case of any State to which the provisions of section 344 of the Social Security Act Amendments of 1950 were applicable on January 1, 1962, and to which the sentence of section 1202(b) of this title following paragraph (2) thereof is applicable on the date on which its State plan for aid to the aged, blind, or disabled was submitted for approval under this subchapter, the Commissioner of Social Security shall approve the plan of such State for aid to the aged, blind, or disabled for purposes of this subchapter, even though it does not meet the requirements of paragraph (14) of subsection (a) of this section, if it meets all other requirements of this subchapter for an approved plan for aid to the aged, blind, or disabled; but payments under section 1383 of this title shall be made, in the case of any such plan, only with respect to expenditures thereunder which would be included as expenditures for the purposes of section 1383 of this title under a plan approved under this section without regard to the provisions of this sentence.

FINDINGS

Pub. L. 111-255, §2, Oct. 5, 2010, 124 Stat. 2640, as amended by Pub. L. 111-255, §3(e), Oct. 5, 2010, 124 Stat. 2641; Pub. L. 114-63, §2, Oct. 7, 2015, 129 Stat. 549, provided that: “Congress finds the following:

“(1) Advances in medicine depend on clinical trial research conducted at public and private research institutions across the United States.

“(2) The challenges associated with enrolling participants in clinical research studies are especially difficult for studies that evaluate treatments for rare diseases and conditions (defined by the Orphan Drug Act [Pub. L. 97-414, see Short Title of 1983 Amendments note set out under section 301 of Title 21, Food and Drugs] as a disease or condition affecting fewer than 200,000 Americans), where the available number of willing and able research participants may be very small.

“(3) In accordance with ethical standards established by the National Institutes of Health, sponsors of clinical research may provide payments to trial participants for out-of-pocket costs associated with

trial enrollment and for the time and commitment demanded by those who participate in a study. When offering compensation, clinical trial sponsors are required to provide such payments to all participants.

“(4) The offer of payment for research participation may pose a barrier to trial enrollment when such payments threaten the eligibility of clinical trial participants for Supplemental Security Income and Medicaid benefits.

“(5) With a small number of potential trial participants and the possible loss of Supplemental Security Income and Medicaid benefits for many who wish to participate, clinical trial research for rare diseases and conditions becomes exceptionally difficult and may hinder research on new treatments and potential cures for these rare diseases and conditions.”

[Section 3(e) of Pub. L. 111-255, formerly set out as an Effective and Termination Dates of 2010 Amendment note above, which repealed section 2 of Pub. L. 111-255, set out above, 5 years after Oct. 5, 2010, was itself repealed by Pub. L. 114-63, §2, Oct. 7, 2015, 129 Stat. 549, effective as if included in Pub. L. 111-255.]
