(B) Factors to consider for solvency standards

In establishing solvency standards under subparagraph (A) for provider-sponsored organizations, the Secretary shall consult with interested parties and shall take into account—

(C) Enrollee protection against insolvency

Such standards shall include provisions to prevent enrollees from being held liable to any person or entity for the Medicare+Choice organization's debts in the event of the organization's insolvency.

If the committee is not terminated under paragraph (6), the rulemaking committee shall submit a report containing a proposed rule by not later than 1 month before the target date of publication.
