§6374e. Federal fleet conservation requirements

(a) Mandatory reduction in petroleum consump-

(1) In general

Not later than 18 months after December 19, 2007, the Secretary shall issue regulations for Federal fleets subject to section 6374 of this title to require that, beginning in fiscal year 2010, each Federal agency shall reduce petroleum consumption and increase alternative fuel consumption each year by an amount necessary to meet the goals described in paragraph (2).

(2) Goals

The goals of the requirements under paragraph (1) are that not later than October 1, 2015, and for each year thereafter, each Federal agency shall achieve at least a 20 percent reduction in annual petroleum consumption and a 10 percent increase in annual alternative fuel consumption, as calculated from the baseline established by the Secretary for fiscal year 2005.

(3) Milestones

The Secretary shall include in the regulations described in paragraph (1)—

- (A) interim numeric milestones to assess annual agency progress towards accomplishing the goals described in that paragraph; and
- (B) a requirement that agencies annually report on progress towards meeting each of the milestones and the 2015 goals.

(b) Plan

(1) Requirement

(A) In general

The regulations under subsection (a) shall require each Federal agency to develop a plan, and implement the measures specified

in the plan by dates specified in the plan, to meet the required petroleum reduction levels and the alternative fuel consumption increases, including the milestones specified by the Secretary.

(B) Inclusions

The plan shall—

- (i) identify the specific measures the agency will use to meet the requirements of subsection (a)(2); and
- (ii) quantify the reductions in petroleum consumption or increases in alternative fuel consumption projected to be achieved by each measure each year.

(2) Measures

The plan may allow an agency to meet the required petroleum reduction level through—

- (A) the use of alternative fuels;
- (B) the acquisition of vehicles with higher fuel economy, including hybrid vehicles, neighborhood electric vehicles, electric vehicles, and plug-in hybrid vehicles if the vehicles are commercially available;
- (C) the substitution of cars for light trucks;
 - (D) an increase in vehicle load factors;
 - (E) a decrease in vehicle miles traveled;
 - (F) a decrease in fleet size; and
- (G) other measures.

EFFECTIVE DATE

Section effective on the date that is 1 day after Dec. 19, 2007, see section 1601 of Pub. L. 110–140, set out as a note under section 1824 of Title 2, The Congress.

SUBCHAPTER IV—GENERAL PROVISIONS

PART A—ENERGY DATA BASE AND ENERGY INFORMATION

§ 6381. Verification examinations

(a) Authority of Comptroller General

The Comptroller General may conduct verification examinations with respect to the books, records, papers, or other documents of—

- (1) any person who is required to submit energy information to the Secretary, the Department of the Interior, or the Federal Energy Regulatory Commission pursuant to any rule, regulation, order, or other legal process of such Secretary, Department or Commission;
- (2) any person who is engaged in the production, processing, refining, transportation by pipeline, or distribution (at other than the retail level) of energy resources—
 - (A) if such person has furnished, directly or indirectly, energy information (without regard to whether such information was furnished pursuant to legal requirements) to any Federal agency (other than the Internal Revenue Service), and
 - (B) if the Comptroller General of the United States determines that such information has been or is being used or taken into

consideration, in whole or in part, by a Federal agency in carrying out responsibilities committed to such agency; or

(3) any vertically integrated petroleum company with respect to financial information of such company related to energy resource exploration, development, and production and the transportation, refining and marketing of energy resources and energy products.

(b) Request for examination

The Comptroller General shall conduct verification examinations of any person or company described in subsection (a), if requested to do so by any duly established committee of the Congress having legislative or oversight responsibilities under the rules of the House of Representatives or of the Senate, with respect to energy matters or any of the laws administered by the Department of the Interior (or the Secretary thereof), the Federal Energy Regulatory Commission, or the Secretary.

(c) Definitions

For the purposes of this subchapter—

- (1) The term "verification examination" means an examination of such books, records, papers, or other documents of a person or company as the Comptroller General determines necessary and appropriate to assess the accuracy, reliability, and adequacy of the energy information, or financial information, referred to in subsection (a).
- (2) The term "energy information" has the same meaning as such term has in section 796(e)(1) of title 15.
- (3) The term "person" has the same meaning as such term has in section 796(e)(2) of title 15.
- (4) The term "vertically integrated petroleum company" means any person which itself, or through a person which is controlled by, controls, or is under common control with such person, is engaged in the production, refining, and marketing of petroleum products.

AMENDMENTS

1978—Subsec. (b). Pub. L. 95–619 purported to substitute "Secretary" for "Administrator", meaning Administrator of the Federal Energy Administration. See Transfer of Functions note below.

Statutory Notes and Related Subsidiaries

TRANSFER OF FUNCTIONS

"Secretary, the Department of the Interior, or the Federal Energy Regulatory Commission" and "Secretary" substituted for "Federal Energy Administration, the Department of the Interior, or the Federal Power Commission" and "Administration", respectively, in subsec. (a)(1), and "Federal Energy Regulatory Commission, or the Secretary" substituted for "Federal Power Commission, or the Federal Energy Administration (or the Administrator)" in subsec. (b) pursuant to sections 301, 402, 703, and 707 of Pub. L. 95–91, which are classified to sections 7151, 7172, 7293, and 7297 of this title and which terminated the Federal Energy Administration and transferred its functions and functions of Administrator thereof (with certain exceptions) to the Secretary of Energy and terminated the Federal Power Commission and transferred its functions to the Federal Energy Regulatory Commission and the Secretary of Energy.

§ 6382. Powers and duties of Comptroller General

(a) Subpenas; discovery and inspection; oaths; search

For the purpose of carrying out his authority under section 6381 of this title—

- (1) the Comptroller General may-
- (A) sign and issue subpenas for the attendance and testimony of witnesses and the production of books, records, papers, and other documents;
- (B) require any person, by general or special order, to submit answers in writing to interrogatories, to submit books, records, papers, or other documents, or to submit any other information or reports, and such answers or other submissions shall be made within such reasonable period, and under oath or otherwise, as the Comptroller General may determine; and
 - (C) administer oaths.
- (2) the Comptroller General, or any officer or employee duly designated by the Comptroller General, upon presenting appropriate credentials and a written notice from the Comptroller General to the owner, operator, or agent in charge, may—
 - (A) enter, at reasonable times, any business premise or facility; and
 - (B) inspect, at reasonable times and in a reasonable manner, any such premise or facility, inventory and sample any stock of energy resources therein, and examine and copy books, records, papers, or other documents, relating to any energy information, or any financial information in the case of a vertically integrated petroleum company.

(b) Information in possession of Federal agencies

The Comptroller General shall have access to any energy information within the possession of any Federal agency (other than the Internal Revenue Service) as is necessary to carry out his authority under this section.

(c) Transmission of examination results to Federal agencies

- (1) Except as provided in subsections (d) and (e), the Comptroller General shall transmit a copy of the results of any verification examination conducted under section 6381 of this title to the Federal agency to which energy information which was subject to such examination was furnished.
- (2) Any report made pursuant to paragraph (1) shall include the Comptroller General's findings with respect to the accuracy, reliability, and adequacy of the energy information which was the subject of such examination.
