

grams conducted by such utilities, including information regarding the types of demand-side management programs being operated, the quantity of measures installed, expenditures on demand-side management programs, estimates of energy savings resulting from such programs, and whether the savings estimates were verified; and

(3) in carrying out this subsection, take into account reporting burdens and the protection of proprietary information as required by law.

(l) Data collection

In order to improve the ability to evaluate the effectiveness of the Nation's energy efficiency policies and programs, the Administrator shall, in carrying out the data collection provisions of subsections (i) and (k), consider—

(1) expanding the survey instruments to include questions regarding participation in Government and utility conservation programs;

(2) expanding fuel-use surveys in order to provide greater detail on energy use by user subgroups; and

(3) expanding the scope of data collection on energy efficiency and load-management programs, including the effects of building construction practices such as those designed to obtain peak load shifting.

(m) Renewable fuels survey

(1) In order to improve the ability to evaluate the effectiveness of the Nation's renewable fuels mandate, the Administrator shall conduct and publish the results of a survey of renewable fuels demand in the motor vehicle fuels market in the United States monthly, and in a manner designed to protect the confidentiality of individual responses. In conducting the survey, the Administrator shall collect information both on a national and regional basis, including each of the following:

(A) The quantity of renewable fuels produced.

(B) The quantity of renewable fuels blended.

(C) The quantity of renewable fuels imported.

(D) The quantity of renewable fuels demanded.

(E) Market price data.

(F) Such other analyses or evaluations as the Administrator finds are necessary to achieve the purposes of this section.

(2) The Administrator shall also collect or estimate information both on a national and regional basis, pursuant to subparagraphs (A) through (F) of paragraph (1), for the 5 years prior to implementation of this subsection.

(3) This subsection does not affect the authority of the Administrator to collect data under section 52 of the Federal Energy Administration Act of 1974 (15 U.S.C. 790a).

AMENDMENTS

2014—Subsec. (i)(1). Pub. L. 113-76, §315(1), substituted "once every four years" for "once every two years" in introductory provisions.

Subsec. (k)(1). Pub. L. 113-76, §315(2), which directed amendment of par. (1) by substituting "once every four years" for "once every three years" was executed by making the substitution for "once every 3 years" to reflect the probable intent of Congress.

2005—Subsec. (m). Pub. L. 109-58 added subsec. (m).

1992—Subsec. (i)(1). Pub. L. 102-486, §171(a)(1), in introductory provisions, substituted "at least once every two years" for "on at least a triennial basis".

Subsec. (i)(1)(D). Pub. L. 102-486, §171(a)(2), amended subpar. (D) generally. Prior to amendment, subpar. (D) read as follows: "use of nonpurchased sources of energy, such as cogeneration and waste by-products."

Subsecs. (j) to (l). Pub. L. 102-486, §171(b), added subsecs. (j) to (l).

1986—Subsec. (i). Pub. L. 99-509 added subsec. (i).

CODIFICATION

Section was enacted as part of the Department of Energy Act of 1978—Civilian Applications, and not as part of the Department of Energy Organization Act which comprises this chapter.

§ 7136. Economic Regulatory Administration; appointment of Administrator; compensation; qualifications; functions

(a) There shall be within the Department an Economic Regulatory Administration to be headed by an Administrator, who shall be appointed by the President, by and with the advice and consent of the Senate, and who shall be compensated at a rate provided for level IV of the Executive Schedule under section 5315 of title 5. Such Administrator shall be, by demonstrated ability, background, training, or experience, an individual who is specially qualified to assess fairly the needs and concerns of all interests affected by Federal energy policy. The Secretary shall by rule provide for a separation of regulatory and enforcement functions assigned to, or vested in, the Administration.

(b) Consistent with the provisions of subchapter IV, the Secretary shall utilize the Economic Regulatory Administration to administer such functions as he may consider appropriate.

(Pub. L. 95-91, title II, §206, Aug. 4, 1977, 91 Stat. 574.)

§ 7137. Functions of Comptroller General

The functions of the Comptroller General of the United States under section 771 of title 15 shall apply with respect to the monitoring and evaluation of all functions and activities of the Department under this chapter or any other Act administered by the Department.

(Pub. L. 95-91, title II, §207, Aug. 4, 1977, 91 Stat. 574.)
