§ 1490c. Mutual and self-help housing

(a) Purpose

The purposes of this section are (1) to make financial assistance available on reasonable terms and conditions in rural areas and small towns to needy low-income individuals and their families who, with the benefit of technical assistance and overall guidance and supervision, participate in approved programs of mutual or self-help housing by acquiring and developing necessary land, acquiring building materials, providing their own labor, and working cooperatively with others for the provision of decent, safe, and sanitary dwellings for themselves, their families, and others in the area or town involved, and (2) to facilitate the efforts of both public and private nonprofit organizations providing assistance to such individuals to contribute their technical and supervisory skills toward more effective and comprehensive programs of mutual or self-help housing in rural areas and small towns wherever necessary.

(b) Contract authority; establishment of Self-Help Housing Land Development Fund; authorization to make loans; conditions of loan

In order to carry out the purposes of this section, the Secretary of Agriculture (in this section referred to as the "Secretary") is authorized—

(1)(A) to make grants to, or contract with, public or private nonprofit corporations, agencies, institutions, organizations, Indian tribes, and other associations approved by him, to pay part or all of the costs of developing, conducting, administering, or coordinating effective and comprehensive programs of technical and supervisory assistance which will aid needy low-income individuals and their families in carrying out mutual or self-help housing efforts, including the repair of units financed under section 1472 of this title that are being held in inventory; and

(B) to establish the Self-Help Housing Land Development Fund, referred to herein as the Self-Help Fund, to be used by the Secretary as a revolving fund for making loans, on such terms and conditions and in such amounts as he deems necessary, to public or private nonprofit organizations and to Indian tribes for the acquisition and development of land as building sites to be subdivided and sold to families, nonprofit organizations, and cooperatives eligible for assistance under section 1715z or 1715z-1 of title 12 or section 1490a of this title. retary in any case as being necessary to carry out the purposes hereof: *Provided*, That the Secretary may advance funds under this paragraph to organizations receiving assistance under clause (A) to enable them to establish revolving accounts for the purchase of land options and any such advances may bear interest at a rate determined by the Secretary and shall be repaid to the Secretary at the expiration of the period for which the grant to the organization involved was made;

(2) to make grants to, or contract with, national or regional private nonprofit corporations to provide training and technical assistance to public or private nonprofit corporations, agencies, institutions, organizations, and other associations, including Indian tribes, eligible to receive assistance under this section in order to expand the use of authorities contained in this section and to improve performance; and

(3) to make loans, on such terms and conditions and in such amounts as he deems necessary, to needy low-income individuals participating in programs of mutual or self-help housing approved by him, for the acquisition and development of land and for the purchase of such other building materials as may be necessary in order to enable them, by providing substantially all of their own labor, and by cooperating with others participating in such programs, to carry out to completion the construction of decent, safe, and sanitary dwellings for such individuals and their families, subject to the following limitations:

(B) the amount of the loan, together with other funds which may be available, is adequate to achieve the purpose for which the loan is made;

(E) the loan is repayable within not more than thirty-three years.

(c) Considerations for financial assistance

In determining whether to extend financial assistance under paragraph (1) or (2) of subsection (b), the Secretary shall take into consideration, among other factors, the suitability of the area within which construction will be carried out to the type of dwelling which can be provided under mutual or self-help housing programs, the extent to which the assistance will facilitate the provision of more decent, safe, and sanitary housing conditions than presently exist in the area, the extent to which the assistance will be utilized efficiently and expeditiously, the extent to which the assistance will effect an increase in the standard of living of low-income individuals participating in the mutual or self-help housing
