§ 509a. Project beneficiaries

(a) Notice of modification

On identifying a Bureau of Reclamation facility for modification, the Secretary shall provide to the project beneficiaries written notice—

- (1) describing the need for the modification and the process for identifying and implementing the modification; and
- (2) summarizing the administrative and legal requirements relating to the modification.

(b) Consultation

The Secretary shall—

- (1) provide project beneficiaries an opportunity to consult with the Bureau of Reclamation on the planning, design, and construction of the proposed modification; and
- (2) in consultation with project beneficiaries, develop and provide timeframes for the consultation described in paragraph (1).

(c) Alternatives

(1) Prior to submitting the reports required under section 509 of this title, the Secretary shall consider any alternative submitted in writing, in accordance with the timeframes established under subsection (b), by a project beneficiary that has elected to consult with the Bureau of Reclamation on a modification.

(2) The Secretary shall provide to the project beneficiary a timely written response describing proposed actions, if any, to address the recommendation.

(3) The response of the Secretary shall be included in the reports required by section 509 of this title.

(d) Waiver

The Secretary may waive 1 or more of the requirements of subsections (a), (b), and (c), if the Secretary determines that implementation of the requirement could have an adverse impact on dam safety or security.

§ 509b. Additional project benefits through the construction of new or supplementary works

Notwithstanding section 507 of this title, if the Secretary, in her judgment, determines that additional project benefits, including but not lim-

ited to additional conservation storage capacity, are necessary and in the interests of the United States and the project and are feasible and not inconsistent with the purposes of this subchapter, the Secretary is authorized to develop additional project benefits through the construction of new or supplementary works on a project in conjunction with the Secretary’s activities under section 506 of this title and subject to the conditions described in the feasibility study, provided a cost share agreement related to the additional project benefits is reached among non-Federal and Federal funding participants and the costs associated with developing the additional project benefits are allocated exclusively among beneficiaries of the additional project benefits and repaid consistent with all provisions of Federal Reclamation law (the Act of June 17, 1902, 43 U.S.C. 371 et seq.) and acts supplemental to and amendatory of that Act.

(Pub. L. 95-578, §5B, as added Pub. L. 114-113, div. D, title II, §203(2), Dec. 18, 2015, 129 Stat. 2406.)

SUBCHAPTER XI-B—AGING INFRASTRUCTURE

§ 510. Definitions

In this subchapter:

(1) Inspection

The term “inspection” means an inspection of a project facility carried out by the Secretary—

- (A) to assess and determine the general condition of the project facility; and
- (B) to estimate the value of property, and the size of the population, that would be at risk if the project facility fails, is breached, or otherwise allows flooding to occur.

(2) Project facility

The term “project facility” means any part or incidental feature of a project, excluding high- and significant-hazard dams, constructed under the Federal reclamation law (the Act of June 17, 1902 (32 Stat. 388, chapter 1093), and Acts supplemental to and amendatory of that Act (43 U.S.C. 371 et seq.)¹.

(3) Reserved works

The term “reserved works” mean² any project facility at which the Secretary carries out the operation and maintenance of the project facility.

(4) Secretary

The term “Secretary” means the Secretary of the Interior, acting through the Commissioner of Reclamation.
