

(c) Repayment contract

The repayment contract shall provide, among other things, (1) that the holder thereof shall have a first right, to which right the rights of the holders of any other type of contract shall be subordinate, to a stated share or quantity of the project's available water supply for use by its constituent industrial and municipal water users during the repayment period and a permanent right to such share or quantity thereafter subject to payment of such costs as may be incurred by the United States in its operation and maintenance of any part of the project works; (2) that, subject to such rules and regulations as the Secretary may prescribe, the care, operation, and maintenance of such portions of the pipeline and related facilities as are used solely for delivering such water to the contract holder and its constituent organizations shall, as soon as is practicable after completion of the municipal and industrial water supply features of the project, pass to the contract holder or to an organization which is designated by it for that purpose and which is satisfactory to the Secretary; and (3) that title to such portions of the pipeline and related facilities shall in like manner pass to the contract holder or its designee or designees upon payment to the United States of all obligations arising under sections 600b and 600c of this title or incurred in connection with the project.

CONSENT OF CONGRESS TO COMPACT

Act Apr. 29, 1950, ch. 135, 64 Stat. 93, provided: "That the consent of the Congress is hereby given to the States of Oklahoma, Texas, and New Mexico to negotiate and enter into a compact not later than June 30, 1953, providing for an equitable apportionment among the said States of the waters of the Canadian River and its tributaries, upon the condition that one suitable person, who shall be appointed by the President of the United States, shall participate in said negotiations as the representative of the United States and shall make report to the Congress of the proceedings and of any compact entered into. Said compact shall not be binding or obligatory upon any of the parties thereto unless and until the same shall have been ratified by the legislature of each of the States aforesaid and approved by the Congress of the United States."

§ 600d. Sanford Reservoir recreation facilities; allocation of water, reservoir capacity, or joint project costs of Canadian River project; municipal water use priorities; agreements for operation, maintenance, or additional development of project lands or facilities; disposal of project lands or facilities; nonreimbursable costs; cognizance of effect of fish and wildlife plan

The Secretary of the Interior is authorized to investigate, plan, construct, operate and maintain, or otherwise provide for basic public out-

door recreation facilities at the Sanford Reservoir area, Canadian Federal reclamation project, to acquire or otherwise include within the project area such adjacent lands or interests therein as are necessary for present or future public recreation use, and to provide for the public use and enjoyment of project lands, facilities, and water areas in a manner coordinated with other project purposes: *Provided*, That this section shall not provide the Secretary with a basis for allocation to recreation of water, reservoir capacity, or joint project costs of the Canadian River project nor affect the priority for municipal use of water stored in the Sanford Reservoir, or the priority of use for municipal purposes of the capacity of said reservoir. The Secretary is authorized to enter into agreements with Federal agencies or State or local public bodies for the operation, maintenance, or additional development of project lands or facilities, or to dispose of project lands or facilities to Federal agencies or State or local public bodies by lease, transfer, conveyance or exchange upon such terms and conditions as will best promote the development and operation of such lands or facilities in the public interest for recreation purposes. The cost of providing basic recreation facilities shall be nonreimbursable. In carrying out the aforesaid activities the Secretary shall take cognizance of the effect of the fish and wildlife plan approved by the President December 19, 1962, pursuant to sections 600b and 600c of this title in providing facilities at the Canadian River project which have general recreation utility.
