

by the Director, unless the modification has been submitted to the Director for review and approval under this subchapter.

(i)(1) If the Director finds that a senior official of an agency designated under section 3506(a) is sufficiently independent of program responsibility to evaluate fairly whether proposed collections of information should be approved and has sufficient resources to carry out this responsibility effectively, the Director may, by rule in accordance with the notice and comment provisions of chapter 5 of title 5, United States Code, delegate to such official the authority to approve proposed collections of information in specific program areas, for specific purposes, or for all agency purposes.

(2) A delegation by the Director under this section shall not preclude the Director from reviewing individual collections of information if the Director determines that circumstances warrant such a review. The Director shall retain authority to revoke such delegations, both in general and with regard to any specific matter. In acting for the Director, any official to whom approval authority has been delegated under this section shall comply fully with the rules and regulations promulgated by the Director.

(j)(1) The agency head may request the Director to authorize a collection of information, if an agency head determines that—

(A) a collection of information—

(i) is needed prior to the expiration of time periods established under this subchapter; and

(ii) is essential to the mission of the agency; and

(B) the agency cannot reasonably comply with the provisions of this subchapter because—

(i) public harm is reasonably likely to result if normal clearance procedures are followed;

(ii) an unanticipated event has occurred; or

(iii) the use of normal clearance procedures is reasonably likely to prevent or disrupt the collection of information or is reasonably likely to cause a statutory or court ordered deadline to be missed.

(2) The Director shall approve or disapprove any such authorization request within the time requested by the agency head and, if approved, shall assign the collection of information a control number. Any collection of information conducted under this subsection may be conducted without compliance with the provisions of this subchapter for a maximum of 180 days after the date on which the Director received the request to authorize such collection.
