§ 3520A. Chief Data Officer Council

(a) ESTABLISHMENT.—There is established in the Office of Management and Budget a Chief Data Officer Council (in this section referred to as the “Council”).

(b) PURPOSE AND FUNCTIONS.—The Council shall—

(1) establish Governmentwide best practices for the use, protection, dissemination, and generation of data;

(2) promote and encourage data sharing agreements between agencies;

(3) identify ways in which agencies can improve upon the production of evidence for use in policymaking;

(4) consult with the public and engage with private users of Government data and other stakeholders on how to improve access to data assets of the Federal Government; and

(5) identify and evaluate new technology solutions for improving the collection and use of data.

(c) MEMBERSHIP.—

(1) IN GENERAL.—The Chief Data Officer of each agency shall serve as a member of the Council.

(2) CHAIR.—The Director shall select the Chair of the Council from among the members of the Council.

(3) ADDITIONAL MEMBERS.—The Administrator of the Office of Electronic Government shall serve as a member of the Council.

(4) EX OFFICIO MEMBER.—The Director shall appoint a representative for all Chief Information Officers and Evaluation Officers, and such representative shall serve as an ex officio member of the Council.

(d) REPORTS.—The Council shall submit to the Director, the Committee on Homeland Security and Governmental Affairs of the Senate, and the Committee on Oversight and Government Reform of the House of Representatives a biennial report on the work of the Council.

(e) EVALUATION AND TERMINATION.—

(1) GAO EVALUATION OF COUNCIL.—Not later than 4 years after date¹ of the enactment of

this section, the Comptroller General shall submit to Congress a report on whether the additional duties of the Council improved the use of evidence and program evaluation in the Federal Government.

(2) TERMINATION OF COUNCIL.—The Council shall terminate and this section shall be repealed upon the expiration of the 2-year period that begins on the date the Comptroller General submits the report under paragraph (1) to Congress.

SUBCHAPTER II—INFORMATION SECURITY

§ 3551. Purposes

The purposes of this subchapter are to—

(1) provide a comprehensive framework for ensuring the effectiveness of information security controls over information resources that support Federal operations and assets;

(2) recognize the highly networked nature of the current Federal computing environment and provide effective governmentwide management and oversight of the related information security risks, including coordination of information security efforts throughout the civilian, national security, and law enforcement communities;

(3) provide for development and maintenance of minimum controls required to protect Federal information and information systems;

(4) provide a mechanism for improved oversight of Federal agency information security programs, including through automated security tools to continuously diagnose and improve security;

(5) acknowledge that commercially developed information security products offer advanced, dynamic, robust, and effective information security solutions, reflecting market solutions for the protection of critical information infrastructures important to the national defense and economic security of the nation that are designed, built, and operated by the private sector; and

(6) recognize that the selection of specific technical hardware and software information security solutions should be left to individual agencies from among commercially developed products.

(Added Pub. L. 113–283, §2(a), Dec. 18, 2014, 128 Stat. 3073.)
