§ 7113. Exemption from draft

A licensed master, mate, pilot, or engineer of a vessel inspected under part B of this subtitle, propelled by machinery or carrying hazardous liquid cargoes in bulk, is not liable to draft in time of war, except for performing duties authorized by the license. When performing those duties in the service of the United States Government, the master, mate, pilot, or engineer is entitled to the highest rate of wages paid in the merchant marine of the United States for similar services. If killed or wounded when performing those duties, the master, mate, pilot, or engineer, or the heirs or legal representatives of the master, mate, pilot, or engineer, are entitled to all the privileges under the pension laws of the United States provided to members of the Armed Forces.

Section 7113 exempts licensed masters, mates, pilots, and engineers of inspected vessels that are propelled by machinery or carrying hazardous liquid cargo from the Selective Service draft in time of war.

This section also provides that, while serving in that capacity during war, they shall be entitled to the highest rate of pay paid in the U.S. merchant marine for similar services.

If a master, mate, pilot, or engineer is killed or wounded when performing those duties during a war, these individuals, their heirs or legal representatives, are entitled to all the privileges provided to members of the Armed Forces under the pension laws of the United States.

§ 7114. Fees

The Secretary may prescribe by regulation reasonable fees for the inspection of and the issuance of a certificate, license, or permit related to small passenger vessels and sailing school vessels.
