Level IV of the Executive Schedule, referred to in subsec. (g)(1), is set out under section 5315 of Title 5, Government Organization and Employees.

§ 1425. Advisory committees of the First Responder Network Authority

(a) Advisory committees

The First Responder Network Authority—

(1) shall establish a standing public safety advisory committee to assist the First Responder Network Authority in carrying out its duties and responsibilities under this subchapter; and

(2) may establish additional standing or ad hoc committees, panels, or councils as the First Responder Network Authority determines are necessary.

(b) Selection of agents, consultants, and experts

(1) In general

The First Responder Network Authority shall select parties to serve as its agents, consultants, or experts in a fair, transparent, and objective manner, and such agents may include a program manager to carry out certain of the duties and responsibilities of deploying and operating the nationwide public safety broadband network described in subsections (b) and (c) of section 1426 of this title.

(2) Binding and final

If the selection of an agent, consultant, or expert satisfies the requirements under paragraph (1), the selection of that agent, consultant, or expert shall be final and binding.

§ 1426. Powers, duties, and responsibilities of the First Responder Network Authority

(a) General powers

The First Responder Network Authority shall have the authority to do the following:

(1) To exercise, through the actions of its Board, all powers specifically granted by the provisions of this subchapter, and such incidental powers as shall be necessary.

(2) To hold such hearings, sit and act at such times and places, take such testimony, and receive such evidence as the First Responder Network Authority considers necessary to carry out its responsibilities and duties.

(3) To obtain grants and funds from and make contracts with individuals, private companies, organizations, institutions, and Federal, State, regional, and local agencies.

(4) To accept, hold, administer, and utilize gifts, donations, and bequests of property, both real and personal, for the purposes of aiding or facilitating the work of the First Responder Network Authority.

(5) To spend funds under paragraph (3) in a manner authorized by the Board, but only for purposes that will advance or enhance public safety communications consistent with this chapter.

(6) To take such other actions as the First Responder Network Authority (through the

Board) may from time to time determine necessary, appropriate, or advisable to accomplish the purposes of this chapter.

(b) Duty and responsibility to deploy and operate a nationwide public safety broadband network

(1) In general

The First Responder Network Authority shall hold the single public safety wireless license granted under section 1421 of this title and take all actions necessary to ensure the building, deployment, and operation of the nationwide public safety broadband network, in consultation with Federal, State, tribal, and local public safety entities, the Director of NIST, the Commission, and the public safety advisory committee established in section 1425(a) of this title, including by, at a minimum—

(A) ensuring nationwide standards for use and access of the network;

(B) issuing open, transparent, and competitive requests for proposals to private sector entities for the purposes of building, operating, and maintaining the network that use, without materially changing, the minimum technical requirements developed under section 1423 of this title;

(C) encouraging that such requests leverage, to the maximum extent economically desirable, existing commercial wireless infrastructure to speed deployment of the network; and

(D) managing and overseeing the implementation and execution of contracts or agreements with non-Federal entities to build, operate, and maintain the network.

(2) Requirements

In carrying out the duties and responsibilities of this subsection, including issuing requests for proposals, the First Responder Network Authority shall—

(A) ensure the safety, security, and resiliency of the network, including requirements for protecting and monitoring the network to protect against cyberattack;

(B) promote competition in the equipment market, including devices for public safety communications, by requiring that equipment for use on the network be—

(i) built to open, non-proprietary, commercially available standards;

(ii) capable of being used by any public safety entity and by multiple vendors across all public safety broadband networks operating in the 700 MHz band; and

(iii) backward-compatible with existing commercial networks to the extent that such capabilities are necessary and technically and economically reasonable;

(C) promote integration of the network with public safety answering points or their equivalent; and

(D) address special considerations for areas or regions with unique homeland security or national security needs.

(3) Rural coverage

In carrying out the duties and responsibilities of this subsection, including issuing re-
