INTERNATIONAL TELECOMMUNICATIONS SATELLITE
ORGANIZATION

Pub. L. 99-93, title I, §146, Aug. 16, 1985, 99 Stat. 425, provided that:

"(a) POLICY.—The Congress declares that it is the policy of the United States—

"(1) as a party to the International Telecommunications Satellite Organization (hereafter in this section referred to as 'Intelsat'), to foster and support the global commercial communications satellite system owned and operated by Intelsat;

"(2) to make available to consumers a variety of communications satellite services utilizing the space segment facilities of Intelsat and any additional such facilities which are found to be in the national interest and which—

"(A) are technically compatible with the use of the radio frequency spectrum and orbital space by the existing or planned Intelsat space segment, and

"(B) avoid significant economic harm to the global system of Intelsat; and

"(3) to authorize use and operation of any additional space segment facilities only if the obligations of the United States under article XIV(d) of the Intelsat Agreement have been met.

"(b) PRECONDITIONS FOR INTELSAT CONSULTATION.—Before consulting with Intelsat for purposes of coordination of any separate international telecommunications satellite system under article XIV(d) of the Intelsat Agreement, the Secretary of State shall—

"(1) in coordination with the Secretary of Commerce, ensure that any proposed separate international satellite telecommunications system comply with the Executive Branch conditions established pursuant to the Presidential Determination No. 85-2 [49 F.R. 46987]; and

"(2) ensure that one or more foreign authorities have authorized the use of such system consistent with such conditions.

"(c) AMENDMENT OF INTELSAT AGREEMENT.—(1) The Secretary of State shall consult with the United States signatory to Intelsat and the Secretary of Commerce regarding the appropriate scope and character of a modification to article V(d) of the Intelsat Agreement which would permit Intelsat to establish cost-based rates for individual traffic routes, as exceptional circumstances warrant, paying particular attention to the need for avoiding significant economic harm to the global system of Intelsat as well as United States national and foreign policy interests.

"(2)(A) To ensure that rates established by Intelsat for such routes are cost-based, the Secretary of State, in consultation with the Secretary of Commerce and the Chairman of the Federal Communications Commission, shall instruct the United States signatory to Intelsat to ensure that sufficient documentation, including documentation regarding revenues and costs, is provided by Intelsat so as to verify that such rates are in fact cost-based.

"(B) To the maximum extent possible, such documentation [documentation] will be made available to interested parties on a timely basis.

"(3) Pursuant to the consultation under paragraph (1) and taking the steps prescribed in paragraph (2) to provide documentation, the United States shall support an
