§ 765f. Satellite auctions

Notwithstanding any other provision of law, the Commission shall not have the authority to assign by competitive bidding orbital locations or spectrum used for the provision of international or global satellite communications services. The President shall oppose in the International Telecommunication Union and in other bilateral and multilateral fora any assignment by competitive bidding of orbital locations or spectrum used for the provision of such services.

(Pub. L. 87-624, title VI, §647, as added Pub. L. 106-180, §3, Mar. 17, 2000, 114 Stat. 57.)

§ 765g. Exclusivity arrangements

(a) In general

No satellite operator shall acquire or enjoy the exclusive right of handling telecommunication to or from the United States, its territories or possessions, and any other country or territory by reason of any concession, contract, understanding, or working arrangement to which the satellite operator or any persons or companies controlling or controlled by the operator are parties.

(b) Exception

In enforcing the provisions of this section, the Commission—

(1) shall not require the termination of existing satellite telecommunications services under contract with, or tariff commitment to, such satellite operator; but

(2) may require the termination of new services only to the country that has provided the exclusive right to handle telecommunications, if the Commission determines the public interest, convenience, and necessity so requires.
