

“(b)(1)(A) There is established within the National Telecommunications and Information Administration a pilot program under which the Administrator shall award 9 grants to eligible educational institutions to enable the eligible educational institutions to develop digital and wireless networks for online educational programs of study within the eligible educational institutions. The Administrator shall award not less than 1 grant to each type of eligible educational institution, enumerated under subsection (a)(2).

“(B)(i) The Administrator shall award a total of 9 grants under this subsection.

“(ii) The Administrator shall make grant payments under this subsection in the amount of \$500,000.

“(2)(A) In awarding grants under this subsection the Administrator shall give priority to an eligible educational institution that, according to the most recent data available (including data available from the Bureau of the Census), serves a county, or other appropriate political subdivision where no counties exist—

“(i) in which 50 percent of the residents of the county, or other appropriate political subdivision where no counties exist, are members of a racial or ethnic minority;

“(ii) in which less than 18 percent of the residents of the county, or other appropriate political subdivision where no counties exist, have obtained a baccalaureate degree or a higher education;

“(iii) that has an unemployment rate of 7 percent or greater;

“(iv) in which 20 percent or more of the residents of the county, or other appropriate political subdivision where no counties exist, live in poverty;

“(v) that has a negative population growth rate;

or

“(vi) that has a family income of not more than \$32,000.

“(B) In awarding grants under this subsection the Administrator shall give the highest priority to an eligible educational institution that meets the greatest number of requirements described in clauses (i) through (vi) of subparagraph (A).

“(3) An eligible educational institution receiving a grant under this subsection may use the grant funds—

“(A) to acquire equipment, instrumentation, networking capability, hardware, software, digital network technology, wireless technology, or wireless infrastructure;

“(B) to develop and provide educational services, including faculty development; or

“(C) to develop strategic plans for information technology investments.

“(4) The Administrator shall not require an eligible educational institution to provide matching funds for a grant awarded under this subsection.

“(5)(A) The Administrator shall consult with the Committee on Appropriations and the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Appropriations and the Committee on Energy and Commerce of the House of Representatives, on a quarterly basis regarding the pilot program assisted under this subsection.

“(B) Not later than 1 year after the date of enactment of this section [Dec. 26, 2007], the Administrator shall submit to the committees described in subparagraph (A) a report evaluating the progress of the pilot program assisted under this subsection.

“(c) There are authorized to be appropriated to carry out this section \$4,500,000 for each of fiscal years 2008 and 2009.

“(d) The Administrator shall carry out this section only with amounts appropriated in advance specifically to carry out this section.”

STUDY OF TECHNOLOGY PROTECTION MEASURES

Pub. L. 106-554, §1(a)(4) [div. B, title XVII, §1703], Dec. 21, 2000, 114 Stat. 2763, 2763A-336, provided that:

“(a) IN GENERAL.—Not later than 18 months after the date of the enactment of this Act [Dec. 21, 2000], the National Telecommunications and Information Administration shall initiate a notice and comment proceeding for purposes of—

“(1) evaluating whether or not currently available technology protection measures, including commercial Internet blocking and filtering software, adequately addresses the needs of educational institutions;

“(2) making recommendations on how to foster the development of measures that meet such needs; and

“(3) evaluating the development and effectiveness of local Internet safety policies that are currently in operation after community input.

“(b) DEFINITIONS.—In this section:

“(1) TECHNOLOGY PROTECTION MEASURE.—The term ‘technology protection measure’ means a specific technology that blocks or filters Internet access to visual depictions that are—

“(A) obscene, as that term is defined in section 1460 of title 18, United States Code;

“(B) child pornography, as that term is defined in section 2256 of title 18, United States Code; or

“(C) harmful to minors.

“(2) HARMFUL TO MINORS.—The term ‘harmful to minors’ means any picture, image, graphic image file, or other visual depiction that—

“(A) taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;

“(B) depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; and

“(C) taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors.

“(3) SEXUAL ACT; SEXUAL CONTACT.—The terms ‘sexual act’ and ‘sexual contact’ have the meanings given such terms in section 2246 of title 18, United States Code.”

§ 903. Spectrum management activities

(a) Revision of regulations

Within 180 days after October 27, 1992, the Secretary of Commerce and the NTIA shall amend the Department of Commerce spectrum management document entitled “Manual of Regulations and Procedures for Federal Radio Frequency Management” to improve Federal spectrum management activities and shall publish in the Federal Register any changes in the regulations in such document.

(b) Requirements for revisions

The amendments required by subsection (a) shall—

(1) provide for a period at the beginning of each meeting of the Interdepartmental Radio Advisory Committee to be open to the public to make presentations and receive advice, and provide the public with other meaningful opportunities to make presentations and receive advice;

(2) include provisions that will require (A) publication in the Federal Register of major policy proposals that are not classified and that involve spectrum management, and (B) adequate opportunity for public review and comment on those proposals;

(3) include provisions that will require publication in the Federal Register of major policy decisions that are not classified and that involve spectrum management;

(4) include provisions that will require that nonclassified spectrum management information be made available to the public, including access to electronic databases; and

(5) establish procedures that provide for the prompt and impartial consideration of requests for access to Government spectrum by the public, which procedures shall include provisions that will require the disclosure of the status and ultimate disposition of any such request.

(c) Certification to Congress

Not later than 180 days after October 27, 1992, the Secretary of Commerce shall certify to Congress that the Secretary has complied with this section.

(d) Radio services

(1) Assignments for radio services

In assigning frequencies for mobile radio services and other radio services, the Secretary of Commerce shall promote efficient and cost-effective use of the spectrum to the maximum extent feasible.

(2) Authority to withhold assignments

The Secretary of Commerce shall have the authority to withhold or refuse to assign frequencies for mobile radio service or other radio service in order to further the goal of making efficient and cost-effective use of the spectrum.

(3) Spectrum plan

By October 1, 1993, the Secretary of Commerce shall adopt and commence implementation of a plan for Federal agencies with existing mobile radio systems to use more spectrum-efficient technologies that are at least as spectrum-efficient and cost-effective as readily available commercial mobile radio systems. The plan shall include a time schedule for implementation.

(4) Report to Congress

By October 1, 1993, the Secretary of Commerce shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Energy and Commerce of the House of Representatives a report summarizing the plan adopted under paragraph (3), including the implementation schedule for the plan.

(e) Proof of compliance with FCC licensing requirements

(1) Amendment to manual required

Within 90 days after August 10, 1993, the Secretary and the NTIA shall amend the spectrum management document described in subsection (a) to require that—

(A) no person or entity (other than an agency or instrumentality of the United States) shall be permitted, after 1 year after August 10, 1993, to operate a radio station utilizing a frequency that is authorized for the use of government stations pursuant to section 902(b)(2)(A) of this title for any non-government application unless such person or entity has submitted to the NTIA proof, in a form prescribed by such manual, that

such person or entity has obtained a license from the Commission; and

(B) no person or entity (other than an agency or instrumentality of the United States) shall be permitted, after 1 year after August 10, 1993, to utilize a radio station belonging to the United States for any non-government application unless such person or entity has submitted to the NTIA proof, in a form prescribed by such manual, that such person or entity has obtained a license from the Commission.

(2) Retention of forms

The NTIA shall maintain on file the proofs submitted under paragraph (1), or facsimiles thereof.

(3) Certification

Within 1 year after August 10, 1993, the Secretary and the NTIA shall certify to the Committee on Energy and Commerce of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate that—

(A) the amendments required by paragraph (1) have been accomplished; and

(B) the requirements of subparagraphs (A) and (B) of such paragraph are being enforced.

§ 904. General administrative provisions

(a) Interagency functions

(1) Agency consultation

Federal agencies shall consult with the Assistant Secretary and the NTIA to ensure that the conduct of telecommunications activities by such agencies is consistent with the policies developed under section 902(b)(2)(K) of this title.

(2) Report to President

The Secretary shall timely submit to the President each year the report (including evaluations and recommendations) provided for in section 744(a)¹ of this title.

(3) Coordination with Secretary of State

The Secretary shall coordinate with the Secretary of State the performance of the functions described in section 902(b)(2)(C) of this title. The Corporation and concerned executive agencies shall provide the Secretary with such assistance, documents, and other cooperation as will enable the Secretary to carry out those functions.

(b) Advisory committees and informal consultations with industry

To the extent the Assistant Secretary deems it necessary to continue the Interdepartmental Radio Advisory Committee, such Committee shall serve as an advisory committee to the Assistant Secretary and the NTIA. As permitted by law, the Assistant Secretary may establish one or more telecommunications or information advisory committees (or both) composed of experts in the telecommunications and/or information areas outside the Government. The NTIA may also informally consult with industry as appropriate to carry out the most effective performance of its functions.

(c) General provisions

(1) Regulations

The Secretary and NTIA shall issue such regulations as may be necessary to carry out the functions assigned under this chapter.

(2) Support and assistance from other agencies

All executive agencies are authorized and directed to cooperate with the NTIA and to furnish it with such information, support, and assistance, not inconsistent with law, as it may require in the performance of its functions.

(3) Effect on vested functions

Nothing in this chapter reassigns any function that is, on October 27, 1992, vested by law or executive order in the Commission, or the Department of State, or any officer thereof.

(d) Reorganization

(1) Authority to reorganize

Subject to paragraph (2), the Secretary may reassign to another unit of the Department of

Commerce a function (or portion thereof) required to be assigned to the NTIA by section 902(b) of this title.

(2) Limitation on authority

The Secretary may not make any reassignment of a function (or portion thereof) required to be assigned to the NTIA by section 902(b) of this title unless the Secretary submits to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Energy and Commerce of the House of Representatives a statement describing the proposed reassignment and containing an explanation of the reasons for the reassignment. No reassignment of any such function (or portion thereof) shall be effective until 90 legislative days after the Secretary submits that statement to such Committees. For purposes of this paragraph, the term "legislative days" includes only days on which both Houses of Congress are in session.

(e) Limitation on solicitations

Notwithstanding section 1522 of title 15, neither the Secretary, the Assistant Secretary, nor any officer or employee of the NTIA shall solicit any gift or bequest of property, both real and personal, from any entity for the purpose of furthering the authorized functions of the NTIA if such solicitation would create a conflict of interest or an appearance of a conflict of interest.
