certain contracts, including leases and contracts to a governmental entity or government-owned corporations rather than private enterprises that are proposed to be executed by the territorial government, to ensure such proposed contracts promote market competition and are not inconsistent with the approved Fiscal Plan.

(3) Sense of Congress

It is the sense of Congress that any policies established by the Oversight Board pursuant to paragraph (2) should be designed to make the government contracting process more effective, to increase the public's faith in this process, to make appropriate use of the Oversight Board's time and resources, to make the territorial government a facilitator and not a competitor to private enterprise, and to avoid creating any additional bureaucratic obstacles to efficient contracting.

(4) Authority to review certain rules, regulations, and executive orders

The provisions of this paragraph shall apply with respect to a rule, regulation, or executive order proposed to be issued by the Governor (or the head of any department or agency of the territorial government) in the same manner as such provisions apply to a contract.

(5) Failure to comply

If a contract, rule, regulation, or executive order fails to comply with policies established by the Oversight Board under this subsection, the Oversight Board may take such actions as it considers necessary to ensure that such contract, rule, executive order or regulation will not adversely affect the territorial government's compliance with the Fiscal Plan, including by preventing the execution or enforcement of the contract, rule, executive order or regulation.

(c) Restrictions on budgetary adjustments

(1) Submissions of requests to Oversight Board

If the Governor submits a request to the Legislature for the reprogramming of any amounts provided in a certified Budget, the Governor shall submit such request to the Oversight Board, which shall analyze whether the proposed reprogramming is significantly inconsistent with the Budget, and submit its analysis to the Legislature as soon as practicable after receiving the request.

(2) No action permitted until analysis received

The Legislature shall not adopt a reprogramming, and no officer or employee of the territorial government may carry out any reprogramming, until the Oversight Board has provided the Legislature with an analysis that certifies such reprogramming will not be inconsistent with the Fiscal Plan and Budget.

(3) Prohibition on action until Oversight Board is appointed

(A) During the period after a territory becomes a covered territory and prior to the appointment of all members and the Chair of the Oversight Board, such covered territory shall not enact new laws that either permit the transfer of any funds or assets outside the ordinary course of business or that are inconsistent with the constitution or laws of the territory as of June 30, 2016, provided that any executive or legislative action authorizing the movement of funds or assets during this time period may be subject to review and rescission by the Oversight Board upon appointment of the Oversight Board's full membership.

(B) Upon appointment of the Oversight Board's full membership, the Oversight Board may review, and in its sole discretion, rescind, any law that—

(i) was enacted during the period between, with respect to Puerto Rico, May 4, 2016; or with respect to any other territory, 45 days prior to the establishment of the Oversight Board for such territory, and the date of appointment of all members and the Chair of the Oversight Board; and

(ii) alters pre-existing priorities of creditors in a manner outside the ordinary course of business or inconsistent with the territory's constitution or the laws of the territory as of, in the case of Puerto Rico, May 4, 2016, or with respect to any other territory, 45 days prior to the establishment of the Oversight Board for such territory;

but such rescission shall only be to the extent that the law alters such priorities.

(d) Implementation of Federal programs

In taking actions under this chapter, the Oversight Board shall not exercise applicable authorities to impede territorial actions taken to—

(1) comply with a court-issued consent decree or injunction, or an administrative order or settlement with a Federal agency, with respect to Federal programs;

(2) implement a federally authorized or federally delegated program;

(3) implement territorial laws, which are consistent with a certified Fiscal Plan, that execute Federal requirements and standards; or

(4) preserve and maintain federally funded mass transportation assets.
