

In subsection (c), the word “decides” is substituted for “determines” for consistency. The word “ensure” is substituted for “assure” as being more precise.

In subsection (d), the words “at least one of the following actions” are substituted for “and/or” for clarity and consistency.

In subsection (e), the text of 45:803(d) is omitted as unnecessary because section 322 of the revised title gives the Secretary of Transportation general authority to prescribe regulations and other provisions of the revised title give the Secretary general authority to carry out his duties and powers. The text of 45:803(e) is omitted as unnecessary.

PUB. L. 98-216

This is necessary to correct a cross-reference in section 306(b) and to reflect the transfer of the non-positive law provisions of title 49 to title 49 appendix.

(a) IN GENERAL.—

(1) REQUESTS TO PROVIDE FUNDS.—A public entity receiving financial assistance from the Department of Transportation for 1 or more projects, or for a program of projects, for a public purpose may request that the Secretary allow the public entity to provide funds to Federal agencies, including the Department, State agencies, and Indian tribes participating in the environmental planning and review process for the project, projects, or program.

(B) that the use of funds accepted under this section will not impact impartial decisionmaking with respect to environmental reviews or permits, either substantively or procedurally; and
