

ments of the State one-call notification program; and

(3) voluntary participation where the State determines that a type of underground facility or an activity of a type of excavator poses a de minimis risk to public safety or the environment.

(d) PENALTIES.—To the extent the State determines appropriate and necessary to achieve the purposes of this chapter, a State one-call notification program shall, at a minimum, provide for—

(1) administrative or civil penalties commensurate with the seriousness of a violation by an excavator or facility owner of a State one-call notification program;

(2) increased penalties for parties that repeatedly damage underground facilities because they fail to use one-call notification systems or for parties that repeatedly fail to provide timely and accurate marking after the required call has been made to a one-call notification system;

(3) reduced or waived penalties for a violation of a requirement of a State one-call notification program that results in, or could result in, damage that is promptly reported by the violator;

(4) equitable relief; and

(5) citation of violations.

##### EFFECTIVE DATE OF 2012 AMENDMENT

Pub. L. 112-90, §3(c), Jan. 3, 2012, 125 Stat. 1906, provided that: “The amendments made by this section [amending this section and section 60134 of this title] shall take effect 2 years after the date of enactment of this Act [Jan. 3, 2012].”

#### § 6104. Compliance with minimum standards

(a) REQUIREMENT.—In order to qualify for a grant under section 6106, each State shall sub-

mit to the Secretary a grant application under subsection (b). The State shall submit the application not later than 2 years after the date of enactment of this chapter.

(b) APPLICATION.—

(1) Upon application by a State, the Secretary shall review that State’s one-call notification program, including the provisions for the implementation of the program and the record of compliance and enforcement under the program.

(2) Based on the review under paragraph (1), the Secretary shall determine whether the State’s one-call notification program meets the minimum standards for such a program set forth in section 6103 in order to qualify for a grant under section 6106.

(3) In order to expedite compliance under this section, the Secretary may consult with the State as to whether an existing State one-call notification program, a specific modification thereof, or a proposed State program would result in a positive determination under paragraph (2).

(4) The Secretary shall prescribe the form and manner of filing an application under this section that shall provide sufficient information about a State’s one-call notification program for the Secretary to evaluate its overall effectiveness. Such information may include the nature and reasons for exceptions from required participation, the types of enforcement available, and such other information as the Secretary deems necessary.

(5) The application of a State under paragraph (1) and the record of actions of the Secretary under this section shall be available to the public.

(c) ALTERNATIVE PROGRAM.—A State is eligible to receive a grant under section 6106 if the State maintains an alternative one-call notification program that provides protection for public safety, excavators, and the environment that is equivalent to, or greater than, protection provided under a program that meets the minimum standards set forth in section 6103.

(d) REPORT.—The Secretary shall include the following information in reports submitted under section 60124 of this title—

(1) a description of the extent to which each State has adopted and implemented the minimum Federal standards under section 6103 or maintains an alternative program under subsection (c);

(2) an analysis by the Secretary of the overall effectiveness of each State’s one-call notification program and the one-call notification systems operating under such program in achieving the purposes of this chapter;

(3) the impact of each State’s decisions on the extent of required participation in one-call notification systems on prevention of damage to underground facilities; and

(4) areas where improvements are needed in one-call notification systems in operation in each State.

The report shall also include any recommendations the Secretary determines appropriate. If the Secretary determines that the purposes of this chapter have been substantially achieved,

no further report under this section shall be required.

(Added Pub. L. 105-178, title VII, § 7302(a), June 9, 1998, 112 Stat. 479; amended Pub. L. 107-355, § 2(b), Dec. 17, 2002, 116 Stat. 2985.)

##### AMENDMENTS

2002—Pub. L. 107-355 amended section generally. Prior to amendment, section related to study of existing one-call systems, purpose and considerations of study, report by Secretary within one year of June 9, 1998, and discretion of Secretary as to whether to carry out study.

### § 6106. Grants to States

(a) **IN GENERAL.**—The Secretary may make a grant of financial assistance to a State that qualifies under section 6104(b) to assist in improving—

(1) the overall quality and effectiveness of one-call notification systems in the State;

(2) communications systems linking one-call notification systems;

(3) location capabilities, including training personnel and developing and using location technology;

(4) record retention and recording capabilities for one-call notification systems;

(5) public information and education;

(6) participation in one-call notification systems; or

(7) compliance and enforcement under the State one-call notification program.

(b) **STATE ACTION TAKEN INTO ACCOUNT.**—In making grants under this section, the Secretary shall take into consideration the commitment of each State to improving its State one-call notification program, including legislative and regulatory actions taken by the State after the date of enactment of this chapter.

(c) **FUNDING FOR ONE-CALL NOTIFICATION SYSTEMS.**—A State may provide funds received under this section directly to any one-call notification system in such State that substantially adopts the best practices identified under section 6105.
