(b) PILOT PROGRAM REQUIREMENTS.—

(1) IN GENERAL.—The pilot program shall—

(A) allow a petitioner described in paragraph (3) to petition the Secretary to provide intercity rail passenger transportation over a long-distance route described in subsection (a) for an operation period of 4 years from the date of commencement of service by the winning bidder and, at the option of the Secretary, consistent with the rule promulgated under subsection (a), allow the

contract to be renewed for 1 additional operation period of 4 years;

(B) require the Secretary to—

(i) notify the petitioner and Amtrak of receipt of the petition under subparagraph (A) and to publish in the Federal Register a notice of receipt not later than 30 days after the date of receipt;

(ii) establish a deadline, of not more than 120 days after the notice of receipt is published in the Federal Register under clause (i), by which both the petitioner and Amtrak, if Amtrak chooses to do so, would be required to submit a complete bid to provide intercity rail passenger transportation over the applicable route; and

(iii) upon selecting a winning bid, publish in the Federal Register the identity of the winning bidder, the long distance route that the bidder will operate, a detailed justification of the reasons why the Secretary selected the bid, and any other information the Secretary determines appropriate for public comment for a reasonable period of time not to exceed 30 days after the date on which the Secretary selects the bid;

(C) require that each bid—

(i) describe the capital needs, financial projections, and operational plans, including staffing plans, for the service, and such other factors as the Secretary considers appropriate; and

(ii) be made available by the winning bidder to the public after the bid award with any appropriate redactions for confidential or proprietary information;

(D) for a route that receives funding from a State or States, require that for each bid received from a petitioner described in paragraph (3), other than such State or States, the Secretary have the concurrence of the State or States that provide funding for that route; and

(E) for a winning bidder that is not or does not include Amtrak, require the Secretary to execute a contract not later than 270 days after the deadline established under subparagraph (B)(ii) and award to the winning bidder—

(ii) an operating subsidy, as determined by the Secretary, for—

(I) the first year at a level that does not exceed 90 percent of the level in effect for that specific route during the fiscal year preceding the fiscal year in which the petition was received, adjusted for inflation; and

(II) any subsequent years at the level calculated under subclause (I), adjusted for inflation.

(2) LIMITATION.—The requirements under paragraph (1)(E), including the amounts of operating subsidies in the first and any subsequent years under paragraph (1)(E)(ii), shall not apply to a winning bidder that is or includes Amtrak.

(3) **ELIGIBLE PETITIONERS.**—The following parties are eligible to submit petitions under paragraph (1):

Any amount provided by the Secretary to Amtrak under this paragraph shall not be deducted from or have any effect on the operating subsidy described in subsection (b)(1)(E)(ii).

(f) **REPORTING.**—If the Secretary does not promulgate the final rule before the deadline under subsection (a), the Secretary shall, not later than 19 months after the date of enactment of the Passenger Rail Reform and Investment Act of 2015 and every 90 days thereafter until the rule is complete, notify the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives in writing—

(A) requires Amtrak to provide the applicable facilities, equipment, and services; and

(B) determines reasonable compensation, liability, and other terms for the use of the facilities and equipment and the provision of the services.
