§ 3043a. National intelligence strategy

(a) In general

Beginning in 2017, and once every 4 years thereafter, the Director of National Intelligence shall develop a comprehensive national intelligence strategy to meet national security objectives for the following 4-year period, or a longer period, if appropriate.

(b) Requirements

Each national intelligence strategy required by subsection (a) shall—

(1) delineate a national intelligence strategy consistent with—

(A) the most recent national security strategy report submitted pursuant to section 3043 of this title;

(B) the strategic plans of other relevant departments and agencies of the United States; and

(C) other relevant national-level plans;

(2) address matters related to national and military intelligence, including counterintelligence;

(3) identify the major national security missions that the intelligence community is currently pursuing and will pursue in the future to meet the anticipated security environment;

(4) describe how the intelligence community will utilize personnel, technology, partnerships, and other capabilities to pursue the major national security missions identified in paragraph (3);

(5) assess current, emerging, and future threats to the intelligence community, including threats from foreign intelligence and security services and insider threats;

(6) outline the organizational roles and missions of the elements of the intelligence community as part of an integrated enterprise to meet customer demands for intelligence products, services, and support;

(7) identify sources of strategic, institutional, programmatic, fiscal, and technological risk; and

(8) analyze factors that may affect the intelligence community's performance in pursuing the major national security missions identified in paragraph (3) during the following 10-year period.

(c) Submission to Congress

The Director of National Intelligence shall submit to the congressional intelligence committees a report on each national intelligence strategy required by subsection (a) not later than 45 days after the date of the completion of such strategy.

(July 26, 1947, ch. 343, title I, §108A, as added Pub. L. 113-293, title III, §303(a), Dec. 19, 2014, 128 Stat. 3994.)

§ 3043b. Annual reports on worldwide threats

(a) Definition of appropriate congressional committees

In this section, the term “appropriate congressional committees” means—

(1) the congressional intelligence committees; and

(2) the Committees on Armed Services of the House of Representatives and the Senate.

(b) Annual reports

Not later than the first Monday in February 2021, and each year thereafter, the Director of National Intelligence, in coordination with the heads of the elements of the intelligence community, shall submit to the appropriate congressional committees a report containing an assessment of the intelligence community with respect to worldwide threats to the national security of the United States.

(c) Form

Each report under subsection (b) shall be submitted in unclassified form, but may include a classified annex only for the protection of intelligence sources and methods relating to the matters contained in the report.

(d) Hearings

(1) Open hearings

Upon request by the appropriate congressional committees, the Director (and any other head of an element of the intelligence community determined appropriate by the committees in consultation with the Director) shall testify before such committees in an open setting regarding a report under subsection (b).

(2) Closed hearings

Any information that may not be disclosed during an open hearing under paragraph (1) in order to protect intelligence sources and methods may instead be discussed in a closed hearing that immediately follows such open hearing.

(July 26, 1947, ch. 343, title I, §108B, as added Pub. L. 116-260, div. W, title VI, §617(a), Dec. 27, 2020, 134 Stat. 2400.)

§ 3044. Software licensing

(a) Requirement for inventories of software licenses

The chief information officer of each element of the intelligence community, in consultation with the Chief Information Officer of the Intelligence Community, shall biennially—

(1) conduct an inventory of all existing software licenses of such element, including utilized and unutilized licenses;

(2) assess the actions that could be carried out by such element to achieve the greatest possible economies of scale and associated cost savings in software procurement and usage, including—

(A) increasing the centralization of the management of software licenses;

(B) increasing the regular tracking and maintaining of comprehensive inventories of software licenses using automated discovery and inventory tools and metrics;

(C) analyzing software license data to inform investment decisions; and

(D) providing appropriate personnel with sufficient software licenses management training; and

(3) submit to the Chief Information Officer of the Intelligence Community each inventory required by paragraph (1) and each assessment required by paragraph (2).

(b) Inventories by the Chief Information Officer of the Intelligence Community

The Chief Information Officer of the Intelligence Community, based on the inventories and assessments required by subsection (a), shall biennially—

(1) compile an inventory of all existing software licenses of the intelligence community, including utilized and unutilized licenses;

(2) assess the actions that could be carried out by the intelligence community to achieve the greatest possible economies of scale and associated cost savings in software procurement and usage, including—

(A) increasing the centralization of the management of software licenses;

(B) increasing the regular tracking and maintaining of comprehensive inventories of software licenses using automated discovery and inventory tools and metrics;

(C) analyzing software license data to inform investment decisions; and

(D) providing appropriate personnel with sufficient software licenses management training; and

(3) based on the assessment required under paragraph (2), make such recommendations with respect to software procurement and usage to the Director of National Intelligence as the Chief Information Officer considers appropriate.

(c) Reports to Congress

The Chief Information Officer of the Intelligence Community shall submit to the congressional intelligence committees a copy of each inventory compiled under subsection (b)(1).

(d) Implementation of recommendations

Not later than 180 days after the date on which the Director of National Intelligence receives
