SUBCHAPTER I—BUDGET AND OVERSIGHT

§ 3301. Multiyear national intelligence program

(a) Annual submission of multiyear national intelligence program

The Director of National Intelligence shall submit to the congressional committees specified in subsection (d) each year a multiyear national intelligence program plan reflecting the estimated expenditures and proposed appropriations required to support that program. Any such multiyear national intelligence program plan shall cover the fiscal year with respect to which the budget is submitted and at least four succeeding fiscal years.

(b) Time of submission

The Director of National Intelligence shall submit the report required by subsection (a) each year at or about the same time that the

budget is submitted to Congress pursuant to section 1105(a) of title 31.

(c) Consistency with budget estimates

The Director of National Intelligence and the Secretary of Defense shall ensure that the estimates referred to in subsection (a) are consistent with the budget estimates submitted to Congress pursuant to section 1105(a) of title 31 for the fiscal year concerned and with the estimated expenditures and proposed appropriations for the future-years defense program submitted pursuant to section 221 of title 10.

(d) Specified congressional committees

The congressional committees referred to in subsection (a) are the following:

(1) The Committee on Armed Services, the Committee on Appropriations, and the Select Committee on Intelligence of the Senate.

(2) The Committee on Armed Services, the Committee on Appropriations, and the Permanent Select Committee on Intelligence of the House of Representatives.

§ 3304. Limitation on construction of facilities to be used primarily by intelligence community

(a) In general

(1) In general

Except as provided in subsection (b), no project for the construction of any facility to be used primarily by personnel of any component of the intelligence community which has an estimated Federal cost in excess of \$5,000,000 may be undertaken in any fiscal year unless such project is specifically identified as a separate item in the President's annual fiscal year budget request and is specifically authorized by the Congress.

(2) Notification

In the case of a project for the construction of any facility to be used primarily by personnel of any component of the intelligence community which has an estimated Federal cost greater than \$2,000,000 but less than \$5,000,000, or where any project for the improvement, repair, or modification of such a facility has an estimated Federal cost greater than \$2,000,000, the head of such component, in coordination with and subject to the approval of the Director of National Intelligence, shall submit a notification to the intelligence committees specifically identifying such project.

(b) Exception

(1) In general

Notwithstanding subsection (a) but subject to paragraphs (2) and (3), a project for the construction of a facility to be used primarily by personnel of any component of the intelligence community may be carried out if the Secretary of Defense and the Director of National Intelligence jointly determine—

(A) that the project is vital to the national security or to the protection of health, safety, or the quality of the environment, and

(B) that the requirement for the project is so urgent that deferral of the project for inclusion in the next Act authorizing appropriations for the intelligence community would be inconsistent with national security or the protection of health, safety, or environmental quality, as the case may be.

(2) Report

(A) When a decision is made to carry out a construction project under this subsection, the Secretary of Defense and the Director of National Intelligence jointly shall submit a report in writing to the appropriate committees of Congress on that decision. Each such report shall include (i) the justification for the project and the current estimate of the cost of the project, (ii) the justification for carrying out the project under this subsection, and (iii) a statement of the source of the funds to be used to carry out the project. The project may then be carried out only after the end of the 7-day period beginning on the date the notification is received by such committees.

(B) Notwithstanding subparagraph (A), a project referred to in paragraph (1) may begin on the date the notification is received by the appropriate committees of Congress under
