DEFINITIONS

For definition of “intelligence community”, referred to in text, see section 5003 of div. E of Pub. L. 116-92, set out as a note under section 3003 of this title.

§ 3334a. Transfer of National Intelligence University to the Office of the Director of National Intelligence

(a) Transfer

Upon the submission of the joint certifications under subsection (b)(1), the Secretary of Defense and the Director of National Intelligence shall take such actions that the Director determines necessary to transfer the National Intelligence University from the Defense Intelligence Agency to the Director of National Intelligence.

(b) Joint certifications

(1) Requirement

Except as provided by paragraph (2), as soon as practicable after December 20, 2019, but not later than 18 months after December 20, 2019, the Secretary of Defense and the Director of National Intelligence shall jointly submit to the appropriate congressional committees written certifications of each of the following:

(A) The Middle States Commission on Higher Education has provided regional academic accreditation for the National Intelligence University before the date of the certification, or will provide such academic accreditation as of the date on which the University is transferred under subsection (a).

(B) Members of the Armed Forces attending the University will be eligible to receive credit for Phase I joint professional military education.

(C) The Secretary of Education has informed the Director of National Intelligence that the Secretary has recommended approval of the degrees to be conferred pursuant to section 3227a(b) of this title or will provide such recommended approval as of the date on which the University is transferred under subsection (a).

(D) The Director of National Intelligence, in collaboration with the Secretary of Defense, has established an appropriate governance model for the University.

(E) The Secretary of Defense shall use the University to provide personnel of the Department of Defense with advanced intelligence education.

(2) Failure to certify

(A) Actions required

If the Secretary of Defense and the Director of National Intelligence fail to submit

the certifications under paragraph (1) by the date specified in such paragraph, the Secretary and the Director shall—

(i) jointly submit to the appropriate congressional committees a report on such failure by not later than 21 months after December 20, 2019; and

(ii) jointly submit such certifications as soon as practicable.

(B) Contents of report

The report under subparagraph (A)(i) shall contain the following:

(i) A description of the progress made toward fulfilling the conditions described in such paragraph as of the date of the report.

(ii) A description of any obstacles preventing the fulfillment of such conditions.

(iii) The estimated dates of completion for the fulfillment of such conditions and the submission of the certifications.

(c) Briefing

Not later than 90 days after December 20, 2019, the Director of National Intelligence, the Director of the Defense Intelligence Agency, and the President of the National Intelligence University shall jointly provide to the appropriate congressional committees a briefing on the plan to carry out the transfer under subsection (a), including with respect to—

(1) ensuring the provision of services to all elements of the intelligence community;

(2) employing a military cadre at the University; and

(3) addressing the current accreditation status of the National Intelligence University with the Middle States Commission on Higher Education.

(d) Cost estimates of transfer

(1) Requirement

Not later than 90 days after December 20, 2019, the Secretary of Defense and the Director of National Intelligence shall jointly submit to the appropriate congressional committees an estimate of—

(A) the annual costs of operating the National Intelligence University; and

(B) the costs to the Federal Government of transferring the National Intelligence University to the Director of National Intelligence.

(2) Inclusion of indirect costs

The estimate submitted under paragraph (1) shall include all indirect costs, including with respect to human resources, security, facilities, and information technology.

(e) Conforming repeal

(1) Omitted

(2) Effective date

The amendments made by paragraph (1) shall take effect on the date on which the Secretary of Defense and the Director of National Intelligence jointly submit the joint certifications under subsection (b)(1). The Secretary and the Director shall jointly notify the Law Revision Counsel of the House of Representa-

tives of the submission of the certifications so that the Law Revision Counsel may execute the amendments made by paragraph (1).

(f) Definitions

In this section:

(1) Appropriate congressional committees

The term “appropriate congressional committees” means—

(A) the congressional intelligence committees; and

(B) the Committees on Armed Services of the Senate and House of Representatives.

(2) Phase I joint professional military education

The term “Phase I joint professional military education” has the meaning given that term pursuant to section 2154 of title 10.

§ 3334b. Collection, analysis, and dissemination of workforce data

(a) Omitted

(b) Initial reporting

(1) In general

Not later than 180 days after December 20, 2019, and subject to paragraph (3),¹ the Director of National Intelligence shall make available to the public, the appropriate congressional committees, and the workforce of the intelligence community a report which includes aggregate demographic data and other information regarding the diversity and inclusion efforts of the workforce of the intelligence community.

(2) Contents

A report made available under paragraph (1)—

(A) shall include unclassified reports and barrier analyses relating to diversity and inclusion efforts;

(B) shall include aggregate demographic data—

(i) by segment of the workforce of the intelligence community and grade or rank;

(ii) relating to attrition and promotion rates;

(iii) that addresses the compliance of the intelligence community with validated inclusion metrics, such as the New Inclusion Quotient index score; and

(iv) that provides demographic comparisons to the relevant nongovernmental labor force and the relevant civilian labor force;

(C) shall include an analysis of applicant flow data, including the percentage and level of positions for which data are collected, and a discussion of any resulting policy changes or recommendations;

(D) shall include demographic data relating to participants in professional development programs of the intelligence community and the rate of placement into senior positions for participants in such programs;

(E) shall include any voluntarily collected demographic data relating to the membership of any external advisory committee or board to which individuals in senior positions in the intelligence community appoint members; and

(F) may include data in proportions or percentages to account for concerns relating to the protection of classified information.

(c) Updates

After making available a report under subsection (b), the Director of National Intelligence shall annually provide a report (which may be provided as part of an annual report required under another provision of law) to the workforce of the intelligence community (including senior leadership), the public, and the appropriate congressional committees that includes—

(1) demographic data and information on the status of diversity and inclusion efforts of the intelligence community;

(2) an analysis of applicant flow data, including the percentage and level of positions for which data are collected, and a discussion of any resulting policy changes or recommendations; and

(3) demographic data relating to participants in professional development programs of the intelligence community and the rate of placement into senior positions for participants in such programs.

(d) Expand the collection and analysis of voluntary applicant flow data

(1) In general

The Director of National Intelligence shall develop a system to collect and analyze applicant flow data for as many positions within the intelligence community as practicable, in order to identify areas for improvement in attracting diverse talent, with particular attention to senior and management positions.

(2) Phased implementation

The collection of applicant flow data may be implemented by the Director of National In-

¹ So in original. There is no par. (3).
