**AMENDMENTS**

2004—Subsec. (g). Pub. L. 108-334 amended heading and text of subsec. (g) generally. Prior to amendment, text read as follows: "The Homeland Security Institute shall terminate 3 years after the effective date of this chapter."

**§ 193. Technology clearinghouse to encourage and support innovative solutions to enhance homeland security**

**(a) Establishment of program**

The Secretary, acting through the Under Secretary for Science and Technology, shall establish and promote a program to encourage technological innovation in facilitating the mission of the Department (as described in section 111 of this title).

**(b) Elements of program**

The program described in subsection (a) shall include the following components:

(1) The establishment of a centralized Federal clearinghouse for information relating to technologies that would further the mission of the Department for dissemination, as appropriate, to Federal, State, and local government and private sector entities for additional review, purchase, or use.

(2) The issuance of announcements seeking unique and innovative technologies to advance the mission of the Department.

(3) The establishment of a technical assistance team to assist in screening, as appropriate, proposals submitted to the Secretary

(except as provided in subsection (c)(2)) to assess the feasibility, scientific and technical merits, and estimated cost of such proposals, as appropriate.

(4) The provision of guidance, recommendations, and technical assistance, as appropriate, to assist Federal, State, and local government and private sector efforts to evaluate and implement the use of technologies described in paragraph (1) or (2).

(5) The provision of information for persons seeking guidance on how to pursue proposals to develop or deploy technologies that would enhance homeland security, including information relating to Federal funding, regulation, or acquisition.

**(c) Miscellaneous provisions**

**(1) In general**

Nothing in this section shall be construed as authorizing the Secretary or the technical assistance team established under subsection (b)(3) to set standards for technology to be used by the Department, any other executive agency, any State or local government entity, or any private sector entity.

**(2) Certain proposals**

The technical assistance team established under subsection (b)(3) shall not consider or evaluate proposals submitted in response to a solicitation for offers for a pending procurement or for a specific agency requirement.

**(3) Coordination**

In carrying out this section, the Secretary shall coordinate with the Technical Support Working Group (organized under the April 1982 National Security Decision Directive Numbered 30).

**§ 194. Enhancement of public safety communications interoperability**

**(a) Coordination of public safety interoperable communications programs**

**(1) Program**

The Secretary of Homeland Security, in consultation with the Secretary of Commerce and the Chairman of the Federal Communications Commission, shall establish a program to enhance public safety interoperable communications at all levels of government. Such program shall—

(A) establish a comprehensive national approach to achieving public safety interoperable communications;

(B) coordinate with other Federal agencies in carrying out subparagraph (A);

(C) develop, in consultation with other appropriate Federal agencies and State and local authorities, appropriate minimum capabilities for communications interoperability for Federal, State, and local public safety agencies;

(D) accelerate, in consultation with other Federal agencies, including the National Institute of Standards and Technology, the private sector, and nationally recognized
