SUBCHAPTER I—PLANT PROTECTION

§ 7711. Regulation of movement of plant pests

(a) Prohibition of unauthorized movement of plant pests

Except as provided in subsection (c), no person shall import, enter, export, or move in interstate commerce any plant pest, unless the importation, entry, exportation, or movement is authorized under general or specific permit and is in accordance with such regulations as the Secretary may issue to prevent the introduction of plant pests into the United States or the dissemination of plant pests within the United States.

(b) Requirements for processes

The Secretary shall ensure that the processes used in developing regulations under subsection (a) governing consideration of import requests are based on sound science and are transparent and accessible.

(c) Authorization of movement of plant pests by regulation

(1) Exception to permit requirement

The Secretary may issue regulations to allow the importation, entry, exportation, or movement in interstate commerce of specified plant pests without further restriction if the Secretary finds that a permit under subsection (a) is not necessary.

(2) Petition to add or remove plant pests from regulation

Any person may petition the Secretary to add a plant pest to, or remove a plant pest from, the regulations issued by the Secretary under paragraph (1).

(3) Response to petition by the Secretary

In the case of a petition submitted under paragraph (2), the Secretary shall act on the petition within a reasonable time and notify the petitioner of the final action the Secretary takes on the petition. The Secretary’s determination on the petition shall be based on sound science.

(d) Prohibition of unauthorized mailing of plant pests

(1) In general

Any letter, parcel, box, or other package containing any plant pest, whether sealed as letter-rate postal matter or not, is non-mailable and shall not knowingly be conveyed in the mail or delivered from any post office or by any mail carrier, unless the letter, parcel, box, or other package is mailed in compliance with such regulations as the Secretary may issue to prevent the dissemination of plant pests into the United States or interstate.

(2) Application of postal laws and regulations

Nothing in this subsection authorizes any person to open any mailed letter or other mailed sealed matter except in accordance with the postal laws and regulations.

(e) Regulations

Regulations issued by the Secretary to implement subsections (a), (c), and (d) may include provisions requiring that any plant pest imported, entered, to be exported, moved in interstate commerce, mailed, or delivered from any post office—

(1) be accompanied by a permit issued by the Secretary prior to the importation, entry, exportation, movement in interstate commerce, mailing, or delivery of the plant pest;

(2) be accompanied by a certificate of inspection issued (in a manner and form required by the Secretary) by appropriate officials of the country or State from which the plant pest is to be moved;

(3) be raised under post-entry quarantine conditions by or under the supervision of the Secretary for the purposes of determining whether the plant pest—

(A) may be infested with other plant pests;

(B) may pose a significant risk of causing injury to, damage to, or disease in any plant or plant product; or

(C) may be a noxious weed; and

(4) be subject to remedial measures the Secretary determines to be necessary to prevent the spread of plant pests.

TRANSFER OF FUNCTIONS

For transfer of functions of the Secretary of Agriculture relating to agricultural import and entry inspection activities under this chapter to the Secretary of Homeland Security, and for treatment of related references, see sections 231, 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 7712. Regulation of movement of plants, plant products, biological control organisms, noxious weeds, articles, and means of conveyance

(a) In general

The Secretary may prohibit or restrict the importation, entry, exportation, or movement in

interstate commerce of any plant, plant product, biological control organism, noxious weed, article, or means of conveyance, if the Secretary determines that the prohibition or restriction is necessary to prevent the introduction into the United States or the dissemination of a plant pest or noxious weed within the United States.

(b) Policy

The Secretary shall ensure that processes used in developing regulations under this section governing consideration of import requests are based on sound science and are transparent and accessible.

(c) Regulations

The Secretary may issue regulations to implement subsection (a), including regulations requiring that any plant, plant product, biological control organism, noxious weed, article, or means of conveyance imported, entered, to be exported, or moved in interstate commerce—

(1) be accompanied by a permit issued by the Secretary prior to the importation, entry, exportation, or movement in interstate commerce;

(2) be accompanied by a certificate of inspection issued (in a manner and form required by the Secretary) by appropriate officials of the country or State from which the plant, plant product, biological control organism, noxious weed, article, or means of conveyance is to be moved;

(3) be subject to remedial measures the Secretary determines to be necessary to prevent the spread of plant pests or noxious weeds; and

(4) with respect to plants or biological control organisms, be grown or handled under post-entry quarantine conditions by or under the supervision of the Secretary for the purposes of determining whether the plant or biological control organism may be infested with plant pests or may be a plant pest or noxious weed.

(d) Notice

Not later than 1 year after June 20, 2000, the Secretary shall publish for public comment a notice describing the procedures and standards that govern the consideration of import requests. The notice shall—

(1) specify how public input will be sought in advance of and during the process of promulgating regulations necessitating a risk assessment in order to ensure a fully transparent and publicly accessible process; and

(2) include consideration of the following:

(A) Public announcement of import requests that will necessitate a risk assessment.

(B) A process for assigning major/nonroutine or minor/routine status to such requests based on current state of supporting scientific information.

(C) A process for assigning priority to requests.

(D) Guidelines for seeking relevant scientific and economic information in advance of initiating informal rulemaking.

(E) Guidelines for ensuring availability and transparency of assumptions and uncertainties in the risk assessment process in-

cluding applicable risk mitigation measures relied upon individually or as components of a system of mitigative measures proposed consistent with the purposes of this chapter.

(e) Study and report on systems approach

(1) Study

The Secretary shall conduct a study of the role for and application of systems approaches designed to guard against the introduction of plant pathogens into the United States associated with proposals to import plants or plant products into the United States.

(2) Participation by scientists

In conducting the study the Secretary shall ensure participation by scientists from State departments of agriculture, colleges and universities, the private sector, and the Agricultural Research Service.

(3) Report

Not later than 2 years after June 20, 2000, the Secretary shall submit a report on the results of the study conducted under this section to the Committee on Agriculture, Nutrition, and Forestry of the Senate and the Committee on Agriculture of the House of Representatives.

(f) Noxious weeds

(1) Regulations

In the case of noxious weeds, the Secretary may publish, by regulation, a list of noxious weeds that are prohibited or restricted from entering the United States or that are subject to restrictions on interstate movement within the United States.

(2) Petition to add or remove plants from regulation

Any person may petition the Secretary to add a plant species to, or remove a plant species from, the regulations issued by the Secretary under this subsection.

(3) Duties of the Secretary

In the case of a petition submitted under paragraph (2), the Secretary shall act on the petition within a reasonable time and notify the petitioner of the final action the Secretary takes on the petition. The Secretary's determination on the petition shall be based on sound science.

(g) Biological control organisms

(1) Regulations

In the case of biological control organisms, the Secretary may publish, by regulation, a list of organisms whose movement in interstate commerce is not prohibited or restricted. Any listing may take into account distinctions between organisms such as indigenous, nonindigenous, newly introduced, or commercially raised.

(2) Petition to add or remove biological control organisms from the regulations

Any person may petition the Secretary to add a biological control organism to, or remove a biological control organism from, the regulations issued by the Secretary under this subsection.

(3) Duties of the Secretary

In the case of a petition submitted under paragraph (2), the Secretary shall act on the

petition within a reasonable time and notify the petitioner of the final action the Secretary takes on the petition. The Secretary's determination on the petition shall be based on sound science.

TRANSFER OF FUNCTIONS

For transfer of functions of the Secretary of Agriculture relating to agricultural import and entry inspection activities under this chapter to the Secretary of Homeland Security, and for treatment of related references, see sections 231, 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

§ 7712a. Reduction in backlog of agricultural export petitions

(a) Reduction efforts

To the maximum extent practicable, the Secretary of Agriculture shall endeavor to reduce the backlog in the number of applications for permits for the export of United States agricultural commodities. In achieving such reduction, the Secretary shall not dilute or diminish existing personnel resources that are currently managing sanitary and phytosanitary issues for—

- (1) United States agricultural commodities for which exportation is sought; and
- (2) interdiction and control of pests and diseases, including for the evaluation of pest and disease concerns of foreign agricultural commodities for which importation is sought.

(b) Report

The Secretary of Agriculture shall submit to the Committee on Agriculture of the House of Representatives and the Committee on Agriculture, Nutrition, and Forestry of the Senate an annual report specifying, for the year covered by the report—

- (1) the total number of applications processed to completion;
- (2) the number of backlog applications processed to completion;
- (3) the percentage of backlog applications processed to completion; and
- (4) the number of backlog applications remaining.

CODIFICATION

Section was enacted as part of the Specialty Crops Competitiveness Act of 2004, and not as part of the Plant Protection Act which comprises this chapter.

§ 7713. Notification and holding requirements upon arrival

(a) Duty of Secretary of the Treasury

(1) Notification

The Secretary of the Treasury shall promptly notify the Secretary of Agriculture of the arrival of any plant, plant product, biological control organism, plant pest, or noxious weed at a port of entry.

(2) Holding

The Secretary of the Treasury shall hold a plant, plant product, biological control organism, plant pest, or noxious weed for which notification is made under paragraph (1) at the port of entry until the plant, plant product, biological control organism, plant pest, or noxious weed—

- (A) is inspected and authorized for entry into or transit movement through the United States; or
- (B) is otherwise released by the Secretary of Agriculture.

(3) Exceptions

Paragraphs (1) and (2) shall not apply to any plant, plant product, biological control organism, plant pest, or noxious weed that is imported from a country or region of a country designated by the Secretary of Agriculture, pursuant to regulations, as exempt from the requirements of such paragraphs.

(b) Duty of responsible parties

(1) Notification

The person responsible for any plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance required to have a permit under section 7711 or 7712 of this title shall provide the notification described in paragraph (3) as soon as possible after the arrival of the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance at a port of entry and before the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance is moved from the port of entry.

(2) Submission

The notification shall be provided to the Secretary, or, at the Secretary's direction, to the proper official of the State to which the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance is destined, or both, as the Secretary may prescribe.

(3) Elements of notification

The notification shall consist of the following:

- (A) The name and address of the consignee.
- (B) The nature and quantity of the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance proposed to be moved.
- (C) The country and locality where the plant, plant product, biological control organism, plant pest, noxious weed, article, or means of conveyance was grown, produced, or located.
