Executive Documents**EX. ORD. NO. 10914. EXPANDED PROGRAM OF FOOD DISTRIBUTION TO NEEDY FAMILIES**

Ex. Ord. No. 10914, Jan. 21, 1961, 26 F.R. 639, provided: Whereas one of the most important and urgent problems confronting this Nation today is the development of a positive food and nutrition program for all Americans;

Whereas I have received the report of the Task Force on Area Redevelopment under the chairmanship of Senator Douglas, in which special emphasis is placed upon the need for additional food to supplement the diets of needy persons in areas of chronic unemployment;

Whereas I am also advised that there are now almost 7 million persons receiving some form of public assistance, that 4.5 million persons are reported as being unemployed and that a substantial number of needy persons are not recipients in the present food distribution program;

Whereas the variety of foods currently being made available is limited and its nutritional content inadequate; and

Whereas despite an abundance of food, farm income has been in a period of decline, and a strengthening of farm prices is desirable.

NOW, THEREFORE, by virtue of the authority vested in me as President of the United States, it is ordered as follows:

The Secretary of Agriculture shall take immediate steps to expand and improve the program of food distribution throughout the United States, utilizing funds and existing statutory authority available to him, including section 32 of the Act of August 24, 1935, as amended (7 U.S.C. 612) [this section], so as to make available for distribution, through appropriate State and local agencies, to all needy families a greater variety and quantity of food out of our agricultural abundance.

JOHN F. KENNEDY.

There is appropriated for each fiscal year beginning with the fiscal year ending June 30, 1936 an amount equal to 30 per centum of the gross receipts from duties collected under the customs laws during the period January 1 to December 31, both inclusive, preceding the beginning of each such fiscal year. Such sums shall be maintained in a separate fund and shall be used by the Secretary of Agriculture only to (1) encourage the exportation of agricultural commodities and products thereof by the payment of benefits in connection with the exportation thereof or of indemnities for losses incurred in connection with such exportation or by payments to producers in connection with the production of that part of any agricultural commodity required for domestic consumption; (2) encourage the domes-

tic consumption of such commodities or products by diverting them, by the payment of benefits or indemnities or by other means, from the normal channels of trade and commerce or by increasing their utilization through benefits, indemnities, donations or by other means, among persons in low income groups as determined by the Secretary of Agriculture; and (3) reestablish farmers' purchasing power by making payments in connection with the normal production of any agricultural commodity for domestic consumption. Determinations by the Secretary as to what constitutes diversion and what constitutes normal channels of trade and commerce and what constitutes normal production for domestic consumption shall be final. The sums appropriated under this section shall be expended for such one or more of the above-specified purposes, and at such times, in such manner, and in such amounts as the Secretary of Agriculture finds will effectuate substantial accomplishment of any one or more of the purposes of this section. Notwithstanding any other provision of this section, the amount that may be devoted, during any fiscal year after June 30, 1939, to any one agricultural commodity or the products thereof in such fiscal year, shall not exceed 25 per centum of the funds available under this section for such fiscal year. The sums appropriated under this section shall, notwithstanding the provisions of any other law, continue to remain available for the purposes of this section until expended; but any excess of the amount remaining unexpended at the end of any fiscal year over \$500,000,000 shall, in the same manner as though it had been appropriated for the service of such fiscal year, be subject to the provisions of section 3690¹ of the Revised Statutes, and section 5¹ of the Act entitled "An Act making appropriations for the legislative, executive, and judicial expenses of the Government for the year ending June thirtieth, eighteen hundred and seventy-five, and for other purposes". A public or private nonprofit organization that receives agricultural commodities or the products thereof under clause (2) of the second sentence may transfer such commodities or products to another public or private nonprofit organization that agrees to use such commodities or products to provide, without cost or waste, nutrition assistance to individuals in low-income groups.
