§ 904. Loans for electrical plants and transmission lines

(a) In general

The Secretary is authorized and empowered, from the sums hereinbefore authorized, to make loans for rural electrification to persons, corporations, States, Territories, and subdivisions and agencies thereof, municipalities, peoples’ utility districts and cooperative, nonprofit, or limited-dividend associations, organized under the laws of any State or Territory of the United States, for the purpose of financing the construction and operation of generating plants, electric transmission and distribution lines or systems for the furnishing and improving of electric service to persons in rural areas, including by assisting electric borrowers to implement demand side management, energy efficiency and conservation programs, and on-grid and off-grid renewable energy systems, and loans, from funds available under section 903 of this title, to cooperative associations and municipalities for the purpose of enabling said cooperative associations, and municipalities to the extent that such indebtedness was incurred with respect to electric transmission and distribution lines or systems or portions thereof serving persons in rural areas, to discharge or refinance long-term debts owed by them to the Tennessee Valley Authority on account of loans made or credit extended under the terms of the Tennessee Valley Authority Act of 1933, as amended [16 U.S.C. 831 et seq.]:

Provided, That the Secretary, in making such loans, shall give preference to States, Territories, and subdivisions and agencies thereof, municipalities, peoples' utility districts, and cooperative, nonprofit, or limited-dividend associations, the projects of which comply with the requirements of this chapter.

(b) Terms and conditions

Such loans shall be on such terms and conditions relating to the expenditure of the moneys loaned and the security therefor as the Secretary shall determine and may be made payable in whole or in part out of the income, except that no loan for the construction, operation, or enlargement of any generating plant shall be made unless the consent of the State authority having jurisdiction in the premises is first obtained.

(c) Direct loans

(1) Direct hardship loans

Direct hardship loans under this section shall be for the same purposes and on the same terms and conditions as hardship loans made under section 935(c)(1) of this title.

(2) Other direct loans

All other direct loans under this section shall bear interest at a rate equal to the then current cost of money to the Government of the United States for loans of similar maturity, plus $\frac{1}{8}$ of 1 percent.

(d) Certification

Loans under this section shall not be made unless the Secretary finds and certifies that in his judgment the security therefor is reasonably adequate and such loan will be repaid within the time agreed.
