§ 1435. Production of commodities for conversion into alcohol or hydrocarbons for use as motor fuels or other fuels; terms and conditions; determinations; payments, etc., for program

(a) The Secretary of Agriculture shall permit, subject to such terms and conditions as the Secretary shall prescribe, all or any part of the acreage set aside or diverted under the Agricultural Act of 1949 [7 U.S.C. 1421 et seq.] from the production of a commodity for any crop year to be devoted to the production of any commodity for conversion into alcohol or hydrocarbons for use as motor fuel or other fuel, if the Secretary of Agriculture determines that such production is desirable in order to provide an adequate supply of commodities for such conversion, is not likely to increase the cost of price support programs, and will not adversely affect farm income.

- (b)(1) During any year in which no set-aside or diversion of acreage is in effect under the Agricultural Act of 1949 [7 U.S.C. 1421 et seq.], the Secretary of Agriculture may formulate and administer a program for the production, subject to such terms and conditions as he may prescribe, of commodities for conversion into alcohol or hydrocarbons for use as motor fuel or other fuel. Under such program, producers of wheat, feed grains, upland cotton, and rice shall be paid incentive payments to devote a portion of their acreage to such production.
- (2) The payments under this subsection shall be made at such rate or rates as the Secretary of Agriculture determines to be fair and reasonable, taking into consideration the participation necessary to ensure an adequate supply of commodities for such conversion.
- (3) The Secretary may issue any regulations necessary to carry out the provisions of this subsection.
- (4) There are authorized to be appropriated such sums as may be necessary to carry out the provisions of this subsection.

More than 124 but not more than 126	78
More than 126 but not more than 128	77
More than 128 but not more than 130	76

(a) For corn and wheat, if the supply percentage as of the beginning of the marketing year

The level of support shall be not less than the following percentage of the parity price:

More than 130

For rice of the 1959 and 1960 crops, the level of support shall be not less than 75 per centum of the parity price. For rice of the 1961 crop the level of support shall be not less than 70 per centum of the parity price. For the 1962 and subsequent crops of rice the level of support shall be not less than 65 per centum of the parity price.

(b) For cotton, if the supply percentage as of the beginning of the marketing year is:

The level of support shall be not less than the following percentage of the parity price:

Not more than 108	90
More than 108 but not more than 110	89
More than 110 but not more than 112	88
More than 112 but not more than 114	87
More than 114 but not more than 116	86
More than 116 but not more than 118	85
More than 118 but not more than 120	84
More than 120 but not more than 122	83
More than 122 but not more than 124	82
More than 124 but not more than 125	81

More than 128 but not more than 129	77
More than 129 but not more than 130	76
More than 130	75

- (c) Notwithstanding the foregoing provisions of this section—
 - (1) if producers have not disapproved marketing quotas for such crop, the level of support to cooperators shall be 90 per centum of the parity price for the 1950 crop of any basic agricultural commodity for which marketing quotas or acreage allotments are in effect;
- (2) if producers have not disapproved marketing quotas for such crop, the level of support to cooperators shall be not less than 80 per centum of the parity price for the 1951 crop of any basic agricultural commodity for which marketing quotas or acreage allotments are in effect:
- (3) the level of price support to cooperators for any crop of a basic agricultural commodity for which marketing quotas have been disapproved by producers shall be 50 per centum of the parity price of such commodity;
- (4) Repealed. Oct. 31, 1949, ch. 792, title I, §104(b)(3), as added Aug. 28, 1958, Pub. L. 85–835, title II, §201, 72 Stat. 994;
- (5) price support may be made available to noncooperators at such levels, not in excess of the level of price support to cooperators, as the Secretary determines will facilitate the effective operation of the program.¹
- (6) Except² as provided in subsection (c) and section 1422 of this title, the level of support to cooperators shall be not more than 90 per centum and not less than 82½ per centum of the parity price for the 1955 crop of any basic agricultural commodity with respect to which producers have not disapproved marketing quotas; within such limits, the minimum level
