§ 2101. Congressional declaration of policy

Cotton is the basic natural fiber of the Nation. It is produced by many individual cottongrowers throughout the various cotton-producing States of the Nation and also outside the United States. Cotton moves in the channels of interstate and foreign commerce and such cotton which does not move in such channels directly burdens or affects interstate commerce in cotton and cotton products. The efficient production of cotton and the maintenance and expansion of existing markets and the development of new or improved markets and uses is vital to the welfare of cottongrowers and those concerned with marketing, using, and processing cotton as
