§ 3158. Next generation agriculture technology challenge

(a) In general

The Secretary shall establish a next generation agriculture technology challenge competition to provide an incentive for the development of innovative mobile technology that removes barriers to entry in the marketplace for beginning farmers and ranchers (as defined in subsection (a) of section 2279 of this title).

(b) Amount

The Secretary may award not more than \$1,000,000 in the aggregate to 1 or more winners of the competition under subsection (a).

(Pub. L. 95-113, title XIV, §1419C, as added Pub. L. 115-334, title VII, §7110, Dec. 20, 2018, 132 Stat. 4784.)

§ 3159. Land-grant designation

(a) Prohibition on designation

(1) In general

Notwithstanding any other provision of law and except as provided in paragraphs (2) and (3), beginning on December 20, 2018, no additional entity may be designated as eligible to receive funds under a covered program.

(2) 1994 institutions

The prohibition under paragraph (1) with respect to the designation of an entity eligible to receive funds under a covered program shall not apply in the case of the certification of a 1994 Institution under section 2 of Public Law 87-788 (commonly known as the “McIntire-Stennis Cooperative Forestry Act”) (16 U.S.C. 582a-1).

(3) Extraordinary circumstances

In the case of extraordinary circumstances or a situation that would lead to an inequitable result, as determined by the Secretary, the Secretary may determine that an entity designated after December 20, 2018, is eligible to receive funds under a covered program.

(b) State funding

No State shall receive an increase in funding under a covered program as a result of the State’s designation of additional entities as eligible to receive such funding.

(c) Covered program defined

For purposes of this section, the term “covered program” means agricultural research, ex-

tension, education, and related programs or grants established or available under any of the following:

(1) Subsections (b), (c), and (d) of section 343 of this title.

(2) The Hatch Act of 1887 (7 U.S.C. 361a et seq.).

(3) Sections 3221, 3222, and 3222b of this title.

(4) Public Law 87-788 (commonly known as the McIntire-Stennis Cooperative Forestry Act; 16 U.S.C. 582a et seq.).

(d) Rule of construction

Nothing in this section shall be construed as limiting eligibility for a capacity and infrastructure program specified in section 6971(f)(1)(C) of this title that is not a covered program.

(Pub. L. 95-113, title XIV, §1419D, as added Pub. L. 115-334, title VII, §7111, Dec. 20, 2018, 132 Stat. 4784.)

SUBCHAPTER IV—NATIONAL FOOD AND HUMAN NUTRITION RESEARCH AND EXTENSION PROGRAM

§ 3171. Congressional findings and declaration of policy

(a) Findings

Congress finds that there is increasing evidence of a relationship between diet and many of the leading causes of death in the United States: that improved nutrition is an integral component of preventive health care; that there is a serious need for research on the chronic effects of diet on degenerative diseases and related disorders; that nutrition and health considerations are important to United States agricultural policy; that there is insufficient knowledge concerning precise human nutritional requirements, the interaction of the various nutritional constituents of food, and differences in nutritional requirements among different population groups such as infants, children, adolescents, elderly men and women, and pregnant women; and that there is a critical need for objective data concerning food safety, the potential of food enrichment, and means to encourage better nutritional practices.

(b) Declaration of policy

It is declared to be the policy of the United States that the Department of Agriculture conduct research in the fields of human nutrition
