

sity (hereafter referred to in this section as “eligible institutions”) in the acquisition and improvement of agricultural and food sciences facilities and equipment, including libraries, so that the eligible institutions may participate fully in the production of human capital.

(b) Authorization of appropriations

There are authorized to be appropriated to the Secretary of Agriculture for the purposes of carrying out the provisions of this section, \$25,000,000 for each of fiscal years 2002 through 2023, and such sums shall remain available until expended.

(c) Use of grant funds

Four percent of the sums appropriated pursuant to this section shall be available to the Secretary for administration of this grants program. The remaining funds shall be available for grants to eligible institutions for the purpose of assisting them in the purchase of equipment and land, the planning, construction, alteration, or renovation of buildings to strengthen their capacity in the production of human capital in the food and agricultural sciences and can be used at the discretion of the eligible institutions in the areas of research, extension, and resident instruction or any combination thereof.

(d) Method of awarding grants

Grants awarded pursuant to this section shall be made in such amounts and under such terms and conditions as the Secretary shall determine necessary for carrying out the purposes of this section.

(e) Prohibition of certain uses

Federal funds provided under this section may not be utilized for the payment of any overhead costs of the eligible institutions.

(f) Regulations

The Secretary may promulgate such rules and regulations as the Secretary may consider necessary to carry out the provisions of this section.

§ 3222d. Matching funds requirement for research and extension activities at eligible institutions

(a) Definitions

In this section:

(1) Eligible institution

The term “eligible institution” means a college eligible to receive funds under the Act of August 30, 1890 (7 U.S.C. 321 et seq.) (commonly known as the “Second Morrill Act”), including Tuskegee University.

(2) Formula funds

The term “formula funds” means the formula allocation funds distributed to eligible institutions under sections 3221 and 3222 of this title.

(b) Determination of non-Federal sources of funds

Not later than September 30, 1999, each eligible institution shall submit to the Secretary a report describing for fiscal year 1999—

(1) the sources of non-Federal funds made available by the State to the eligible institution for agricultural research, extension, and education to meet the requirements of this section; and

(2) the amount of such funds generally available from each source.

(c) Matching formula

Notwithstanding any other provision of this subchapter, the State shall provide equal matching funds from non-Federal sources.

(d) Waiver authority

Notwithstanding subsection (f), the Secretary may waive the matching funds requirement under subsection (c) above the 50 percent level for any fiscal year for an eligible institution of a State if the Secretary determines that the State will be unlikely to satisfy the matching requirement.

(e) Use of matching funds

Under terms and conditions established by the Secretary, matching funds provided as required by subsection (c) may be used by an eligible institution for agricultural research, extension, and education activities.
