

representatives from each of the three areas of specialization listed in subsection (B), and shall have representatives from various geographic areas, the private sector, academia, scientific and professional societies, agriculture, minority organizations, and public interest organizations, and shall include a State or local government employee with a specialized interest in nutrition monitoring.

(D) *Chairperson.* The Chairperson of the Council shall be elected from and by the Council membership. The term of office shall not exceed 5 years. If a vacancy occurs in the Chairpersonship, the Council shall elect a member to fill such vacancy.

(E) *Term of Office.* The term of office of each of the voting members of the Council shall be 5 years, except that of the five members first appointed by the President, two members shall be appointed for a term of 2 years, two members for a term of 3 years, and one for a term of 4 years, as designated by the President at the time of appointment. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the predecessor of such member was appointed shall be appointed for the remainder of the term. No voting member shall be eligible to serve continuously for more than two consecutive terms.

(F) *Executive Secretary.* The Administrator of Nutrition Monitoring and Related Research (if appointed under section 101(d) of the Act [7 U.S.C. 5311(d)]) shall serve as the Executive Secretary of the Council.

SEC. 3. Functions of the Council. The Council shall:

(a) provide scientific and technical advice on the development and implementation of all components of the coordinated program and the comprehensive plan;

(b) evaluate the scientific and technical quality of the comprehensive plan and the effectiveness of the coordinated program;

(c) recommend to the Secretaries, on an annual basis, means of enhancing the comprehensive plan and the coordinated programs; and

(d) submit to the Secretaries annual reports that shall: (1) contain the components specified in paragraphs (b) and (c); and (2) be included in full in the biennial reports of the Secretaries to the President for transmittal to the Congress under section 102(b) of the Act [7 U.S.C. 5312(b)].

SEC. 4. Meetings. The Council shall meet on a regular basis at the call of the Chairperson, or on the written request of one-third of the members. A majority of the appointed members of the Council shall constitute a quorum.

SEC. 5. Administration. (a) The heads of executive departments, agencies, and independent instrumentalities shall, to the extent permitted by law, provide the Council, upon request, with such information as it may require for the purposes of carrying out its functions.

(b) Members of the Council shall serve without compensation for their work on the Council. While engaged in the work of the Council, members appointed from among private citizens of the United States may be allowed travel expenses, including per diem in lieu of subsistence, as authorized by law for persons serving intermittently in the Government service (5 U.S.C. 5701–5707). Appointed members of the Council may not be employed by the Federal Government.

(c) To the extent provided by law and subject to the availability of appropriations, the Department of Agriculture shall provide the Council with such administrative services, funds, facilities, staff, and other support services as may be necessary for the performance of its functions.

SEC. 6. General provision. Notwithstanding the provisions of any other Executive order, the functions of the President under the Federal Advisory Committee Act that are applicable to the Council shall be performed by the Secretary of Agriculture, in accordance with guidelines and procedures established by the Administrator of General Services.

SEC. 7. The Council shall terminate 10 years after the final comprehensive plan is prepared under section 103 of the Act.

GEORGE BUSH.

§ 5332. Functions of Council

The Council shall—

(1) provide scientific and technical advice on the development and implementation of all components of the coordinated program and the comprehensive plan;

(2) evaluate the scientific and technical quality of the comprehensive plan and the effectiveness of the coordinated program;

(3) recommend to the Secretaries, on an annual basis, means of enhancing the comprehensive plan and the coordinated program; and

(4) submit to the Secretaries annual reports that—

(A) shall contain the components specified in paragraphs (2) and (3); and

(B) shall be included in full in the biennial reports of the Secretaries to the President for transmittal to Congress under section 5312(b) of this title.

(Pub. L. 101–445, title II, §202, Oct. 22, 1990, 104 Stat. 1042.)

SUBCHAPTER III—DIETARY GUIDANCE

§ 5341. Establishment of dietary guidelines

(a) Report

(1) In general

At least every five years the Secretaries shall publish a report entitled “Dietary Guidelines for Americans”. Each such report shall contain nutritional and dietary information and guidelines for the general public, and shall be promoted by each Federal agency in carrying out any Federal food, nutrition, or health program.

(2) Basis of guidelines

The information and guidelines contained in each report required under paragraph (1) shall be based on the preponderance of the scientific and medical knowledge which is current at the time the report is prepared.

(3) Pregnant women and young children

Not later than the 2020 report and in each report thereafter, the Secretaries shall include national nutritional and dietary information and guidelines for pregnant women and children from birth until the age of 2.

(b) Approval by Secretaries

(1) Review

Any Federal agency that proposes to issue any dietary guidance for the general population or identified population subgroups shall submit the text of such guidance to the Secretaries for a sixty-day review period.

(2) Basis of review

(A) In general

During the sixty-day review period established in paragraph (1), the Secretaries shall review and approve or disapprove such guidance to assure that the guidance either is consistent with the “Dietary Guidelines for Americans” or that the guidance is based on medical or new scientific knowledge which is determined to be valid by the Secretaries. If
