

(C) Recommendations for precluding any undesirable duplication of efforts within the Department and among the Department and other Federal and State programs.

(D) Specific recommendations for new initiatives in monitoring, research, extension, and technical assistance efforts to address present and potential environmental quality problems.

The assessment may incorporate existing documents and planning processes within the Department.

**(b) Implementation plan**

The Director, subject to the approval of the Council, shall prepare a plan to implement the Environmental Quality Policy Statement. The plan shall include an assessment of the activities of each departmental agency to mitigate or reduce any negative effects on environmental quality of agricultural policies, programs, and practices under their respective jurisdictions and shall describe in detail new departmental and agency-specific initiatives intended to achieve the goals and objectives of the policy statement. The plan shall be revised at least every 5 years.

**(c) Annual environmental quality report**

Not later than January 31, 1992, and annually thereafter, the Council, through the Director, shall prepare and submit an annual report to the Congress, other appropriate Federal and State agencies, and the public on the progress being made toward the goals and objectives established in the Environmental Quality Policy Statement. The report shall also include—

- (1) a review of the environmental activities and initiatives of the Department during the preceding year;
- (2) specific action taken to coordinate the environmental programs of the Department with programs of other Federal agencies and related State programs; and
- (3) such recommendations as the Secretary considers appropriate regarding current or additional environmental protection programs, initiatives, or policies that will balance the needs of production agriculture while addressing environmental concerns.

**(d) Authorization of appropriations**

There are hereby authorized to be appropriated annually not to exceed \$2,000,000 to carry out this chapter.

EFFECTIVE DATE OF 1991 AMENDMENT

Amendment by Pub. L. 102-237 effective as if included in the provision of the Food, Agriculture, Conservation,

and Trade Act of 1990, Pub. L. 101-624, to which the amendment relates, see section 1101(b)(1) of Pub. L. 102-237, set out as a note under section 1421 of this title.

TERMINATION OF REPORTING REQUIREMENTS

For termination, effective May 15, 2000, of provisions in subsec. (c) of this section relating to submittal of annual report to Congress, see section 3003 of Pub. L. 104-66, as amended, set out as a note under section 1113 of Title 31, Money and Finance, and page 49 of House Document No. 103-7.

**§ 5404. Good Neighbor Environmental Board**

**(a) Establishment**

The President shall establish an advisory board to be known as the Good Neighbor Environmental Board (hereinafter in this section referred to as the “Board”).

**(b) Purpose**

The purpose of the Board shall be to advise the President and the Congress on the need for implementation of environmental and infrastructure projects (including projects that affect agriculture, rural development, and human nutrition) within the States of the United States contiguous to Mexico in order to improve the quality of life of persons residing on the United States side of the border.

**(c) Membership**

The Board shall be composed of—

- (1) representatives from the United States Government, including a representative from the Department of Agriculture and representatives from other appropriate agencies;
- (2) representatives from the governments of the States of Arizona, California, New Mexico, and Texas; and
- (3) representatives from private organizations, including community development, academic, health, environmental, and other non-governmental entities with experience and expertise on environmental and infrastructure problems along the southwest border.

**(d) Annual reports to President and Congress**

**(1) In general**

The Board shall submit to the President and the Congress of the United States an annual report on—

- (A) the environmental and infrastructure projects referred to in subsection (a) that have been implemented, and
- (B) the need for the implementation of additional environmental and infrastructure projects.

**(2) Transmission of copies to Board members**

The Board shall—

- (A) transmit to each member of the Board a copy of any report to be submitted pursuant to paragraph (1) at least 14 days before its submission, and
- (B) allow each member of the Board to have 14 days within which to prepare and submit supplemental views with respect to the recommendations of the Board for inclusion in such report.

## DELEGATION OF AUTHORITY

Authority of President under this section delegated to Administrator of Environmental Protection Agency by section 10 of Ex. Ord. No. 12916, May 13, 1994, 59 F.R. 25780, set out as a note under section 3473 of Title 19, Customs Duties.

**§ 5405. Agricultural air quality research oversight****(a) Findings**

Congress finds that—

(1) various studies have alleged that agriculture is a source of PM-10 emissions;

(2) many of these studies have often been based on erroneous data;

(3) Federal research activities are currently being conducted by the Department of Agriculture to determine the true extent to which agricultural activities contribute to air pollution and to determine cost-effective ways in which the agricultural industry can reduce any pollution that exists; and

(4) any Federal policy recommendations that may be issued by any Federal agency to address air pollution problems related to agriculture or any other industrial activity should be based on sound scientific findings that are subject to adequate peer review and should take into account economic feasibility.

**(b) Purpose**

The purpose of this section is to encourage the Secretary of Agriculture to continue to strengthen vital research efforts related to agricultural air quality.

**(c) Oversight coordination****(1) Intergovernmental cooperation**

The Secretary shall, to the maximum extent practicable with respect to the Department of Agriculture and other Federal departments and agencies, ensure intergovernmental cooperation in research activities related to agricultural air quality and avoid duplication of the activities.

**(2) Correct data**

The Secretary shall, to the maximum extent practicable, ensure that the results of any re-

search related to agricultural air quality conducted by Federal agencies not report erroneous data with respect to agricultural air quality.

**(d) Task force****(1) Establishment**

The Chief of the National Resources Conservation Service shall establish a task force to address agricultural air quality issues.

**(2) Composition**

The task force shall be comprised of employees of the Department of Agriculture, industry representatives, and other experts in the fields of agriculture and air quality.

**(3) Duties**

The task force shall advise the Secretary with respect to the role of the Secretary for providing oversight and coordination related to agricultural air quality.
