The Director shall conduct a review of the determination of the hearing officer using the case record, the record from the evidentiary hearing under section 6997 of this title, the request for review, and such other arguments or information as may be accepted by the Director. Subject to regulations issued by the Secretary, the Director shall have the authority to grant equitable relief under this section in the same manner and to the same extent as such authority is provided to the Secretary under section 7996 of this title and other laws. **(e) Effective date**

A final determination issued by the Director shall be effective as of the date of filing of an application, the date of the transaction or event in question, or the date of the original adverse decision, whichever is applicable.
