§ 1254a. Temporary protected status

(a) Granting of status

(1) In general

In the case of an alien who is a national of a foreign state designated under subsection (b) (or in the case of an alien having no nationality, is a person who last habitually resided in such designated state) and who meets the requirements of subsection (c), the Attorney General, in accordance with this section—

(A) may grant the alien temporary protected status in the United States and shall not remove the alien from the United States during the period in which such status is in effect, and

(B) shall authorize the alien to engage in employment in the United States and provide the alien with an “employment authorized” endorsement or other appropriate work permit.

(2) Duration of work authorization

Work authorization provided under this section shall be effective throughout the period the alien is in temporary protected status under this section.

(3) Notice

(A) Upon the granting of temporary protected status under this section, the Attorney General shall provide the alien with information concerning such status under this section.

(B) If, at the time of initiation of a removal proceeding against an alien, the foreign state (of which the alien is a national) is designated under subsection (b), the Attorney General

shall promptly notify the alien of the temporary protected status that may be available under this section.

(C) If, at the time of designation of a foreign state under subsection (b), an alien (who is a national of such state) is in a removal proceeding under this subchapter, the Attorney General shall promptly notify the alien of the temporary protected status that may be available under this section.

(D) Notices under this paragraph shall be provided in a form and language that the alien can understand.

(4) Temporary treatment for eligible aliens

(A) In the case of an alien who can establish a prima facie case of eligibility for benefits under paragraph (1), but for the fact that the period of registration under subsection (c)(1)(A)(iv) has not begun, until the alien has had a reasonable opportunity to register during the first 30 days of such period, the Attorney General shall provide for the benefits of paragraph (1).

The granting of temporary protected status under this section shall not be considered to be inconsistent with the granting of nonimmigrant status under this chapter.

(B) the Attorney General finds that—

(i) there has been an earthquake, flood, drought, epidemic, or other environmental disaster in the state resulting in a substantial, but temporary, disruption of living conditions in the area affected,

(ii) the foreign state is unable, temporarily, to handle adequately the return to the state of aliens who are nationals of the state, and

(iii) the foreign state officially has requested designation under this subparagraph; or
