

§ 6704. Establishment of Institutes**(a) In general**

The Secretary, in consultation with the Secretary of the Interior, shall—

(1) not later than 180 days after October 5, 2004, establish Institutes to promote the use of adaptive ecosystem management to reduce the risk of wildfires, and restore the health of forest and woodland ecosystems, in the interior West; and

(2) provide assistance to the Institutes to promote the use of collaborative processes and adaptive ecosystem management in accordance with paragraph (1).

(b) Location**(1) Existing Institutes**

The Secretary may designate an institute in existence on October 5, 2004, to serve as an Institute established under this chapter.

(2) States

Of the Institutes established under this chapter, the Secretary shall establish 1 Institute in each of—

(A) the State of Arizona, to be located at Northern Arizona University;

(B) the State of New Mexico, to be located at New Mexico Highlands University, while engaging the full resources of the consortium of universities represented in the Institute of Natural Resource Analysis and Management (INRAM); and

(C) the State of Colorado.

(c) Duties

Each Institute shall—

(1) develop, conduct research on, transfer, promote, and monitor restoration-based hazardous fuel reduction treatments to reduce the risk of severe wildfires and improve the health of dry forest and woodland ecosystems in the interior West;

(2) synthesize and adapt scientific findings from conventional research to implement restoration-based hazardous fuel reduction treatments on a landscape scale using an adaptive ecosystem management framework;

(3) translate for and transfer to affected entities any scientific and interdisciplinary knowledge about restoration-based hazardous fuel reduction treatments;

(4) assist affected entities with the design of adaptive management approaches (including monitoring) for the implementation of restoration-based hazardous fuel reduction treatments; and

(5) provide peer-reviewed annual reports.

(d) Qualifications

Each Institute shall—

(1) develop and demonstrate capabilities in the natural, physical, social, and policy sciences; and

(2) explicitly integrate those disciplines in the performance of the duties listed in subsection (c).

(e) Cooperation

Each Institute may cooperate with—

(1) researchers and cooperative extension programs at colleges, community colleges, and

universities in the States of Arizona, New Mexico, and Colorado that have a demonstrated capability to conduct research described in subsection (c); and

(2) other organizations and entities in the interior West (such as the Western Governors' Association).

(f) Annual work plans

As a condition of the receipt of funds made available under this chapter, for each fiscal year, each Institute shall develop in consultation with the Secretary, for review by the Secretary, in consultation with the Secretary of the Interior, an annual work plan that includes assurances, satisfactory to the Secretaries, that the proposed work of the Institute will serve the informational needs of affected entities.

(g) Establishment of additional Institutes

If after 2 years after October 5, 2004, the Secretary finds that the Institute model established at the locations named in subsection (b)(2) would be constructive for other interior West States, the Secretary may establish 1 institute in each of those States.

(Pub. L. 108-317, §5, Oct. 5, 2004, 118 Stat. 1207.)

§ 6705. Cooperation between Institutes and Federal agencies

In carrying out this chapter, the Secretary, in consultation with the Secretary of the Interior—

(1) to the extent that funds are appropriated for the purpose, shall provide financial and technical assistance to the Institutes to carry out the duties of the Institutes under section 6704 of this title;

(2) shall encourage Federal agencies to use, on a cooperative basis, information and expertise provided by the Institutes;

(3) shall encourage cooperation and coordination between Federal programs relating to—

(A) ecological restoration;

(B) wildfire risk reduction; and

(C) wildfire management technologies;

(4) notwithstanding chapter 63 of title 31, may—

(A) enter into contracts, cooperative agreements, and interagency personnel agreements to carry out this chapter; and

(B) carry out other transactions under this chapter;

(5) may accept funds from other Federal agencies to supplement or fully fund grants made, and contracts entered into, by the Secretaries;

(6) may support a program of internships for qualified individuals at the undergraduate and graduate levels to carry out the educational and training objectives of this chapter;

(7) shall encourage professional education and public information activities relating to the purposes of this chapter; and

(8) may promulgate such regulations as the Secretaries determine are necessary to carry out this chapter.
