1994—Subsecs. (o), (p). Pub. L. 103-233 added subsec. (o) and redesignated former subsec. (o) as (p).

**§ 4852a. Task force on lead-based paint hazard reduction and financing**

**(a) In general**

The Secretary, in consultation with the Administrator of the Environmental Protection Agency, shall establish a task force to make recommendations on expanding resources and efforts to evaluate and reduce lead-based paint hazards in private housing.

**(b) Membership**

The task force shall include individuals representing the Department of Housing and Urban Development, the Farmers Home Administration, the Department of Veterans Affairs, the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Environmental Protection Agency, employee organizations in the building and construction trades industry, landlords, tenants, primary lending institutions, private mortgage insurers, single-family and multifamily real estate interests, nonprofit housing developers, property liability insurers, public housing agencies, low-income housing advocacy organizations, national, State and local lead-poisoning prevention advocates and experts, and community-based organizations located in areas with substantial rental housing.

**(c) Responsibilities**

The task force shall make recommendations to the Secretary and the Administrator of the Environmental Protection Agency concerning—

(1) incorporating the need to finance lead-based paint hazard reduction into underwriting standards;

(2) developing new loan products and procedures for financing lead-based paint hazard evaluation and reduction activities;

(3) adjusting appraisal guidelines to address lead safety;

(4) incorporating risk assessments or inspections for lead-based paint as a routine procedure in the origination of new residential mortgages;

(5) revising guidelines, regulations, and educational pamphlets issued by the Department of Housing and Urban Development and other Federal agencies relating to lead-based paint poisoning prevention;

(6) reducing the current uncertainties of liability related to lead-based paint in rental housing by clarifying standards of care for

landlords and lenders, and by exploring the “safe harbor” concept;

(7) increasing the availability of liability insurance for owners of rental housing and certified contractors and establishing alternative systems to compensate victims of lead-based paint poisoning; and

(8) evaluating the utility and appropriateness of requiring risk assessments or inspections and notification to prospective lessees of rental housing.

**(d) Compensation**

The members of the task force shall not receive Federal compensation for their participation.

(Pub. L. 102-550, title X, §1015, Oct. 28, 1992, 106 Stat. 3908.)

**§ 4852b. National consultation on lead-based paint hazard reduction**

In carrying out this chapter, the Secretary shall consult on an ongoing basis with the Administrator of the Environmental Protection Agency, the Director of the Centers for Disease Control, other Federal agencies concerned with lead poisoning prevention, and the task force established pursuant to section 4852a of this title.

(Pub. L. 102-550, title X, §1016, Oct. 28, 1992, 106 Stat. 3909.)

**§ 4852d. Disclosure of information concerning lead upon transfer of residential property**

**(a) Lead disclosure in purchase and sale or lease of target housing**

**(1) Lead-based paint hazards**

Not later than 2 years after October 28, 1992, the Secretary and the Administrator of the Environmental Protection Agency shall promulgate regulations under this section for the disclosure of lead-based paint hazards in target housing which is offered for sale or lease. The regulations shall require that, before the purchaser or lessee is obligated under any contract to purchase or lease the housing, the seller or lessor shall—

(A) provide the purchaser or lessee with a lead hazard information pamphlet, as prescribed by the Administrator of the Environmental Protection Agency under section 406 of the Toxic Substances Control Act [15 U.S.C. 2686];

(B) disclose to the purchaser or lessee the presence of any known lead-based paint, or any known lead-based paint hazards, in such housing and provide to the purchaser or lessee any lead hazard evaluation report available to the seller or lessor; and

(C) permit the purchaser a 10-day period (unless the parties mutually agree upon a different period of time) to conduct a risk assessment or inspection for the presence of lead-based paint hazards.

**(2) Contract for purchase and sale**

Regulations promulgated under this section shall provide that every contract for the purchase and sale of any interest in target housing shall contain a Lead Warning Statement and a statement signed by the purchaser that the purchaser has—

(A) read the Lead Warning Statement and understands its contents;

(B) received a lead hazard information pamphlet; and

(C) had a 10-day opportunity (unless the parties mutually agreed upon a different period of time) before becoming obligated under the contract to purchase the housing to conduct a risk assessment or inspection for the presence of lead-based paint hazards.

**(3) Contents of lead warning statement**

The Lead Warning Statement shall contain the following text printed in large type on a separate sheet of paper attached to the contract:

“Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning
